In the preparation of this study, I received advice, encouragement, help and co-operation from many people to whom I wish to express my gratitude.

My special thanks are due to my supervisor, Dr.P.K. Dongre, Reader, Centre for Advanced Study in Education, M.S. University of Baroda, for his valuable guidance, constant encouragement and keen interest which led to the completion of the study.

I am also thankful to the office bearers of the Department of Official Language, Ministry of Home Affairs, Government of India, who helped me through valuable suggestions and relevant material.

I shall be failing in my duty if I do not place on record my gratitude to all the Principals of the different language schools, situated in Delhi, Special Commissioners of different State Houses, Managers of different State Emporiums, Managers of the various Community Houses and Ministries, for their co-operation in the collection of the data.

I am thankful to the librarians of M.S. University of Baroda, N.C.E.R.T. Library, C.I.E. Library, the Council of World Affairs Library and other libraries for their co-operation.

I am also thankful to all of my friends who extended their help to me throughout the study.
