

LIST OF TABLES

TABLE NO.		PAGE
3.1	Plan of the Study	103
3.2	Sample Distribution	105
3.3	Scoring and Evaluation Procedure for Physical Facilities	111
3.4	Scoring and Evaluation Procedure for Staff Composition	113
3.5	Scoring and Evaluation Procedure for Library Facilities	114
3.6	Scoring and Evaluation Procedure for Teaching Methods	117
3.7	Scoring and Evaluation Procedure for Instructional Materials	119
3.8	Scoring and Evaluation Procedure for Co-curricular Activities	120
3.9	Scoring and Evaluation Procedure for Assessment Scheme	121
4.1	Schoolwise Evaluation and Systemwise Means of Teaching Methods	138
4.2	Comparison of Teaching Methods of Private and Public Schools (Frequencies and Percentages)	140
4.3	Schoolwise Evaluation and Systemwise Percentages and Means of Physical Facilities	143
4.4	Comparison of Physical Facilities of Private and Public Schools (Frequencies and Percentages)	145
4.5	Schoolwise Evaluation and Systemwise Percentages and Means of Library Facilities	147
4.6	Comparison of Library Facilities of Private and Public Schools (Frequencies and Percentages)	149

4.7	Schoolwise Evaluation and Systemwise Percentages and Means of Staff Composition	152
4.8	Comparison of Staff Composition of Private and Public Schools (Frequencies and Percentages)	154
4.9	Systemwise Frequencies and Percentages of Extra Duties and Pay Scale.	154
4.10	Schoolwise Evaluation and Systemwise Percentages and Means of Instructional Materials	157
4.11	Comparison of Instructional Materials of Private and Public Schools (Frequencies and Percentages)	159
4.12	Schoolwise Evaluation and Systemwise Percentages of Co-curricular Activities	161
4.13	Comparison of Co-curricular Activities of Private and Public Schools (Frequencies and Percentages)	163
4.14	Schoolwise Evaluation and Systemwise Percentages of Assessment Scheme	164
4.15	Comparison of Assessment Schemes of Private and Public Schools (Frequencies and Percentages)	165
4.16	Annual Expenditure of Private and Public Schools for the year 1975-76 (in Rupees)	168
4.17	Systemwise Frequencies of Organizational Climate and $X^2$ -value	170
4.18	Leadership Behaviour in Private and Public Schools (Frequencies and Percentages)	171
4.19	Systemwise Mean Scores of SES, Intelligence and Achievement	174
4.20	Summary of Analysis of Covariance, with Achievement as Criterion Variable and SES and Intelligence as covariates.	175

4.21	SES and Systemwise Mean Achievement Scores	178
5.1	Input-Output-wise Comparison of Private and Public Schools	184
B-1	Type of Family, Family Members and Position of the Child	301
B-2	Academic Qualification, Occupation, and Monthly Income	302
B-3	Reasons for Preferring Private Schools	303
B-4	Reasons for Preferring Public Schools	303
B-5	Number of Parents Preferring Private Schools If given a Chance and Reasons for Preference	303
B-6	Difficulties Faced by the Parents Regarding Their Child's Education	304
B-7	Source Helping Child in His Studies	304
B-8	Activities of Students During Holidays	304
B-9	Parents' Visits to the Schools	305
B-10	Parents' Discussions with Teachers Regarding Their Children	305
B-11	Parents' Occupational Aspiration for the Child's Future	305
