| Abbreviations used in the present thesis | xxix |
| <u>CHAPTER I : THE NEED AND SIGNIFICANCE OF THE STUDY</u> | |
| 1.1 Introduction. | 1 |
| 1.2.1 Teachers : "Square pegs in round holes." | 2 |
| 1.2.2 Teachers : Outdated in knowledge and methods and closed to change. | 4 |
| 1.2.3 Teachers : Victims of Indifferent Society. | 5 |
| 1.2.4 Teachers : Neglected Professional Group both by Government and the Public. | 6 |
| 1.2.5 Teachers : Neglected in the Formulation of Sillabi. | 7 |
| 1.2.6 Teachers : Burdened by Experiments. | 8 |
| 1.2.7 Teachers : Harassed by Bureaucracy. | 9 |
| 1.2.8 Teachers : Neglected subjects in Research too. | 10 |
| 1.2.9 Tribal Teachers : Absolutely Neglected subjects in Research. | 10 |
| 1.3 The Vicious Circle. | 11 |
| 1.4 Growing Concern About Teachers. | 11 |

| | | |
|------|--|----|
| 1.5 | Need for Research in the Indian Context. | 12 |
| 1.6 | Significance of the Present Study. | 13 |
| 1.7 | Statement of the Problem. | 16 |
| 1.8 | Analysis of the Problem Statement. | 16 |
| 1.9 | The Scope of the Study. | 17 |
| 1.10 | Conclusion. | 20 |

CHAPTER II : THE CONCEPTUAL FOUNDATIONS OF THE STUDY 21-74

| | | |
|-------|---|----|
| 2.1 | Introduction. | 21 |
| 2.2 | Meaning in Life. | 22 |
| 2.2.1 | Basic Assumptions of Logotherapy. | 23 |
| | (a) The Freedom of will. | 23 |
| | (b) The Will To Meaning | 24 |
| | (c) Meaning of Life. | 26 |
| 2.2.2 | Existential Vacuum. | 28 |
| 2.2.3 | Neogenic Neurosis | 31 |
| 2.2.4 | Klinger's Study on Meaning and Void. | 32 |
| 2.3 | Burnout | 36 |
| | (a) Emergence of the Concept of Burnout | 37 |
| | (b) The problem of Definition. | 40 |
| | (c) Stages of Burnout. | 41 |
| | (d) Factors in Burnout. | 43 |
| | i) Individual Factors | 43 |
| | ii) Work-related factors | 45 |
| | iii) Societal factors | 46 |
| 2.4 | Teacher Burnout. | 48 |
| | (a) Stages of Teacher Burnout. | 48 |

| | | |
|-----|---|----|
| | (b) Symptoms of Teacher Burnout. | 50 |
| | (c) Teacher Stress and Burnout. | 52 |
| 2.5 | Glow Onness | 56 |
| 2.6 | Self Concept | 59 |
| | (a) Definitions of self-concept. | 60 |
| | (b) Importance of self-concept for Teachers | 62 |
| | (c) Formation and Development of Self-Concept | 65 |
| | (d) Self-Concept and Relationships | 66 |
| | (e) Conclusion. | 67 |
| 2.7 | Values in Life and Work. | 67 |
| 2.8 | Conclusion. | 74 |

CHAPTER III : REVIEW OF RELATED RESEARCH 77-183

| | | |
|-----|--|----|
| 3.1 | Introduction. | 77 |
| 3.2 | Review of the Research on Meaning in Life. | 78 |
| | (a) Research Studies based on the purpose in Life Test : PIL and Deviant Behaviour. | 80 |
| | (b) PIL and Mental Health. | 82 |
| | (c) PIL, Value and Religion. | 82 |
| | (d) PIL and Social Interaction. | 83 |
| | (e) PIL and Sex | 83 |
| | (f) PIL and Age. | 84 |
| | (g) PIL and Education. | 84 |
| | (h) PIL and Job Satisfaction. | 84 |
| | (i) Klinger's Research on Meaning. | 85 |
| 3.3 | General Overview of Research on Burnout. | 87 |
| | (a) Dimensions of Burnout. | 88 |

| | | |
|-----|--|-----|
| | | vi |
| | (b) Statistical Treatment of Burnout. | 96 |
| | (c) Research on Teacher Burnout. | 91 |
| | (d) Research Studies based on the Maslach Burnout Inventory (MBI) | 93 |
| | (e) Studies on Construct Validity of the MBI | 93 |
| | (f) Prevalence of Teacher Burnout. | 96 |
| | (g) Burnout and Different Variables | 98 |
| | (h) Burnout and Locus of Control | 98 |
| | (i) Burnout and Self-Actualisation. | 98 |
| | (i) Burnout of Self Actualisation. | 98 |
| | (j) Burnout of Role Conflict and Role Ambiguity | 99 |
| | (k) Burnout and Organisational Design. | 99 |
| | (l) Burnout and Age. | 100 |
| | (m) Burnout and Sex | 100 |
| | (n) Burnout and Type of School | 101 |
| 3.4 | Studies on Glow-On. | 104 |
| 3.5 | Conclusion. | 105 |
| 3.6 | Studies in Self-Concept and Achievement Motivation | 107 |
| 3.7 | (a) Early Studies in Self-Concept and Achievement Motivation. | 107 |
| | (b) Descriptive Studies in the Area of Self- Concept. | 109 |
| | (c) Measurement of Self-Concept. | 110 |
| | (d) Correlational Studies in the Area of Self- Concept. | 111 |
| | (1) Studies Abroad | 112 |
| | (2) Studies in India. | 113 |

| | |
|---|-----|
| (e) Descriptive Studies in N.Ach. | 116 |
| (f) Measurement of N.Ach. | 116 |
| (g) Acquisition of N.Ach. | 118 |
| (h) Demographic Factors Related to N.Achievement | 118 |
| (i) n-Ach and Socio-Economic Status (SES) | 121 |
| (j) n-Ach and Sex | 122 |
| (k) n-Ach in Literature | 122 |
| (l) n-Ach and Intelligence/Academic Performance | 123 |
| (m) n-Ach and Aspiration | 125 |
| (n) n-Ach and Personality Variables | 125 |
| (o) Development and intervention studies | 126 |
| (p) Developmental studies in Self Concept. | 127 |
| (q) Enhancement of Self-Concept through instructional Programmes in Class-room. | 137 |
| 3.8 Developmental Studies in N-Ach. | 139 |
| 3.9 Conclusion. | 144 |
| 3.10 Review of Research on Work Values | 145 |
| (a) The nature and meaning of work. | 145 |
| (b) Values in life and work. | 146 |
| (c) Studies based on Work Values Inventory. | 147 |
| (d) Work Values and Age. | 159 |
| (e) Work Values and Sex. | 160 |
| (f) Conclusion. | 161 |
| 3.11 Review of Studies on Tribal Teachers. | 161 |
| 3.12 Studies on Tribal Self-Image and Identity. | 173 |
| 3.13 Studies on Changing Self-Image and Identity of Tribals. | 177 |
| 3.14 Conclusion. | 183 |

| | |
|---|---------|
| <u>CHAPTER IV : METHODOLOGY</u> | 185-255 |
| 4.1 Nature of the Study. | 185 |
| (1) Nature of the Phenomenon | 186 |
| (2) Suitability of Methodology. | 187 |
| 4.2 Objectives of the Study. | 191 |
| 4.3 Hypotheses | 192 |
| 4.4 Definitions of Terms | 195 |
| 4.4.1 Burnout | 195 |
| 4.4.2 glow-on | 195 |
| 4.4.3 Tribals | 196 |
| 4.4.4 Tribal Teachers | 196 |
| 4.4.5 Chotanagpur | 196 |
| 4.4.6 High Schools | 197 |
| 4.5 The Sample | 197 |
| 4.5.1 The Selection of Schools and Teachers | 198 |
| 4.5.2 Institutions and Teachers Comprising the Sample. | 203 |
| 4.6 Instrument Selection. | 205 |
| 4.6.1 Demographic Data sheet | 206 |
| 4.6.2 The Maslach Burnout Inventory (MBI) | 206 |
| 4.6.3 The Purpose in Life Test (PIL) | 213 |
| 4.6.4 The Self Perception Inquiry | 217 |
| 4.6.5 Work Values Inventory (WVI) | 230 |
| 4.6.6 Thematic Apperception Test (TAT) | 239 |
| (a) The TAT Tool | 241 |
| (b) Administration of the TAT | 244 |

| | | |
|------|------------------|-----|
| 4.7 | Checklists A & B | 246 |
| 4.8 | Data Collection | 247 |
| 4.9 | Analysis of Data | 252 |
| 4.10 | Conclusion | 255 |

CHAPTER V : ANALYSIS OF DATA 256-427

| | | |
|-------|---|-----|
| 5.1 | Introduction | 256 |
| 5.1.1 | The Sample Description | 257 |
| 5.1.2 | Interpretation of Data Objective-wise | 259 |
| 5.1.3 | (a) Identification of Glow-on Teachers | 260 |
| | (b) Identification of Burnout Teachers | 264 |
| | (c) Depersonalisation Subscale. | 269 |
| 5.2 | The Glow on And Burnout Teachers in Relation to Selected Variables. | 274 |
| | (a) Sex and Burnoutness | 282 |
| | (b) Age and Burnoutness | 284 |
| | (c) Marital Status and Burnout | 287 |
| | (d) Teaching Experience and Burnout | 289 |
| | (e) Sex and Depersonalisation. | 292 |
| | (f) Age and Depersonalisation. | 294 |
| | (g) Marital Status and Burnout | 296 |
| | (h) Burnout and Teaching Experience of DF & DI | 299 |
| 5.3.1 | Identification of the levels of Meaning in Life. | 302 |
| 5.3.2 | Identification of the Levels of Self-Concept | 308 |
| 5.3.3 | Identification of Levels of Work Values in Teachers | 310 |

| | | |
|-------|--|-----|
| 5.3.4 | Identification of Levels of Achievement | |
| | Motivation of Teachers | 313 |
| 5.4.1 | To Compare the glow-on Tribal and Non-Tribal | |
| | Teachers on Psychological Correlates | 316 |
| | 1. Levels of Meaning in Life and Glowonness | 316 |
| 5.4.2 | Levels of Self-Concept and Glow Onness. | 322 |
| 5.4.3 | Levels of Work Values and Glow-on. | 325 |
| 5.4.4 | Levels of Achievement Motive and Glow-Onness | 338 |
| 5.5.1 | Meaning in Life and Burnout. | 341 |
| 5.5.2 | Meaning in Life and Depersonalization. | 344 |
| 5.5.3 | Self Concept and Burnout. | 348 |
| 5.5.4 | Self Concept and Depersonalisation. | 351 |
| 5.5.5 | Work Values and Burnout | 353 |
| 5.5.6 | Achievement Motive and Burnoutness. | 382 |
| 5.5.7 | Tribal Versus Non-Tribal Teachers with | |
| | Reference to Selected Variables of the | |
| | Present Study. | 389 |
| 5.5.8 | Conclusion. | 401 |
| 5.5.9 | Schools under Mrsuline Management | 401 |
| | i) Introduction | 401 |
| | ii) The Basis of the Case Study | 401 |
| | 1. Background of the Case Study | 402 |
| | 2. The Lursuline Spirit | 404 |
| | iii) Identification of Glow-on and Burnout | |
| | Teachers | 404 |
| | Case Study No.01 | 408 |
| | (1) School No.09 | 408 |

| | |
|---|-----|
| (A) General Information | 409 |
| i) Location and Establishment | 409 |
| ii) Establishment | 409 |
| iii) The Principals | 410 |
| (B) The Academic Aspect | 410 |
| i) The Standard of the School | 410 |
| ii) General Atmosphere of the School | 411 |
| iii) Methods used by the Teachers | 412 |
| iv) System of Evaluation | 412 |
| v) Distribution of the Work Load | 412 |
| vi) Responsibilities distributed for Curricular Activities Organised | 412 |
| vii) Planning | 413 |
| viii) Teachers' Participation | 413 |
| ix) Teachers' own participation in these Activities responded. | 414 |
| (C) Relationship aspect | 415 |
| i) Report of the School with the Locality | 415 |
| ii) Relationship of the Principal with Staff and Students | 416 |
| (D) Suggestions offered by Teachers | 417 |
| i) Teaching | 417 |
| ii) Administration | 417 |
| iii) Evaluation | 418 |
| iv) Curricular Activities | 419 |
| v) For Improving Relations | 419 |

| | |
|--|---------|
| Case Study 02 | 420-428 |
| (2) School No.24 | 420 |
| (A) General Information | 420 |
| i) Location and Establishment | 420 |
| ii) Establishment | 420 |
| iii) The Principals | 421 |
| (B) The Academic Aspect | 421 |
| i) The General atmosphere of the school | 421 |
| ii) Teachers' Liking the school | 422 |
| iii) The Standard of the School | 423 |
| iv) Methods used by the Teachers | 423 |
| v) System of Evaluation used. | 423 |
| vi) Distribution of Workload | 424 |
| vii) Responsibilities of the Curricular and Co-curricular Activities Assigned | 424 |
| viii) Curricular Activities organised in the school. | 424 |
| ix) Co-curricular activities taking place in the school | 424 |
| x) Activities Planned | 425 |
| xi) Teacher's role in these activities | 425 |
| xii) Disciplinary Problems Faced | 425 |
| (C) Relationships aspect | 426 |
| i) Rapport of the school with local community | 426 |
| ii) Legal problems in the school | 426 |
| iii) Relationship of the Principal with teachers and students. | 426 |
| iv) Facilities teachers received | 427 |

| | |
|---|-----|
| (D) Suggestions offered by 10 teachers | 427 |
| i) Teaching | 428 |
| ii) Administration | 428 |
| iii) Evaluation | 428 |
| iv) Curricular and Co-curricular activities | 428 |
| v) For improving relationships | 429 |
| Conclusion. | 429 |

CHAPTER VI : SUMMARY OF RESULTS, DISCUSSION AND

| | |
|--|---------|
| <u>SUGGESTIONS</u> | 433-458 |
| 6.1 Introduction | 433 |
| 6.1.1 Summary of Results | 433 |
| Discussion. | 440 |
| I. Glow-onness Among Teachers | 440 |
| (a) Self-Concept and Glow-onness | 444 |
| (b) Achievement Motivation and Glowonness | 445 |
| (c) Work Values and the glow-on teachers. | 445 |
| II. Burnoutness Among Teachers | 448 |
| (a) Meaning in Life and Burnoutness | 450 |
| (b) Self-Concept and Burnoutness | 451 |
| (c) Achievement Motive and Burnoutness of Teachers | 452 |
| III. Role of the Principal | 453 |
| (1) The need of a principal to be a human leader | 453 |
| (2) The Teachers of a Principal too are human beings | 454 |
| 6.2 Emerging Further Research Problems & Suggestions | 458 |
| 6.3 Conclusion | 458 |
| <u>BIBLIOGRAPHY</u> | 460-480 |
| <u>APPENDICES</u> | 490-550 |
