

ACKNOWLEDGEMENT

It is a great pleasure to acknowledge everyone who helped me write my thesis successfully. To begin I gratefully acknowledge and thank the Almighty God, who gives me the strength and inspiration to overcome all challenges without the divine blessings this accomplishment would not have been possible.

I owe sincere and earnest thankfulness to my esteemed guide Prof. Ashutosh Biswal, Department of Education, Centre of Advanced Study in Education, Faculty of Education and Psychology, The M. S. University of Baroda, Vadodara. He showed faith in me that I could endeavour to research in this area. His immense patience, insightful suggestions, and encouragement helped me to keep me on track and prevented me from pursuing every issue that emerged during the research and analysis stages.

The investigator extends sincere thanks to Prof. R. G. Kothari, Dean, Faculty of Education & Psychology for his continuous guidance and support at various steps.

The investigator is also thankful to Prof. S. C. Panigrahi, Head, Department of Education for his continuous encouragement and help to complete this study.

I extend gratitude to Prof. D. R. Goel, Prof. K. Pushpanadham, Dr. V. D. Thomas and Prof. S. Kumar from the Faculty of Education and Psychology, The M S University of Baroda, Vadodara, for their support and concern. They always inquired about the progress in my work and encouraged me.

I am thankful to Dr. P. V. Xavier, Principal, School of science and Education, Navrachana University, Vadodara, who provided support and encourage on regular period of time.

I am immensely grateful to the experts who reviewed the tools developed by me. Their insightful reflections helped me to construct the tools.

I extend gratitude to Mr. Ravish who helped me in translation of tools in Gujarati language.

I am indebted to all the Deans, Principals, I/C Principals, and Institution Heads of different University Departments and affiliated College of Education for

permitting me to conduct the study. I acknowledge the immense contribution made by the principals and teacher educators who in my absence collected the tools and sent it back on stipulated time. I must also thank the teacher educators who were willingly given their response during the study.

My Parents, Rati Ram Balwaria and Savitri Devi, encouraged me by their moral support. Wife, Suman Balwaria supported me in managing the data collection and many a times along with her studies she helped me to analyse the data and supported me by doing small jobs for me.

I am obliged to many of my colleagues who were very supportive. I thank all my colleagues at School of Science and Education, Navrachana University, for their encouragement and support. Dr. Archana Tomar who showed interest in my work, her stimulated reflections helped me. She enthusiastically helps me comforted and provided supports when needed most Dr. Vandana Talegoankar provided me moral support. Ms. Pratibha Gupta provided support in alignment and guided me in writing references in APA format. Ms. Sarita Upadhyay who timely assisted me.

I owe my gratitude to all those people who have made this endeavour possible and whose efforts and cooperation assisted to achieve this cherished dream.

October, 2013
