

## ACKNOWLEDGEMENT

This research work was possible with the guidance, help and support of several individuals who in their own capacities have contributed and extended their valuable assistance in the completion of this study. I owe my gratitude to each one for the patronage.

I acknowledge my sincere gratitude is to my guide Prof. Ashutosh Biswal, Professor in Education, Center of Advanced Study in Education, Department of Education, The Maharaja Sayajirao University of Baroda, for his guidance and help during the three year period of my research work. His valuable and timely assistance at different stages of the research has helped me to complete this piece of work.

I very gratefully acknowledge the support and encouragement of Prof. R.C. Patel, Head, Department of Education and Dean, Faculty of Education and Psychology, The Maharaja Sayajirao University of Baroda. I am also thankful to Prof. S.C. Panigrahi, Former Head, Department of Education and Prof. R.G. Kothari, Former Dean, Faculty of Education and Psychology, The Maharaja Sayajirao University of Baroda for their administrative support and encouragement.

I express my sincere gratitude to all my teachers at the Department of Education, Department of Educational Administration and Department of English, The Maharaja Sayajirao University of Baroda, whose valuable suggestions helped me in progressing with my work. Thank you all for helping me by providing valuable and motivational suggestions for carrying out my research work.

I am also indebted to Mr. Shrimali, the librarian, CASE, the staff of Hansa Mehta Library and the staff of H.M. Patel Institute of English Training and Research, Vallabhvidyanagar for their cooperation and support for allowing me to refer to the storehouse of knowledge and information.

I am grateful to all fellow research scholars of the Faculty of Education and Psychology, The Maharaja Sayajirao University of Baroda, for providing point-in-

time corrections, valuable suggestions, help and support whenever I was stuck in my research work.

I owe my deepest gratitude to the former principal of Ambe School, Manjalpur, Mr. Dheeraj Singh for providing me permission to carry on my research work in the school. I am thankful to the teachers of Ambe School, Manjalpur, for cooperating in my work and providing me with all kind of help, making my research work to be viable. I also extend my thanks to all the English teachers who validated my tools and the package with their valuable corrections and suggestions. I am indebted to standard IX students of Ambe School, Manjalpur, for their cooperation and participation in the experimentation.

I am grateful to the administration of The Maharaja Sayajirao University of Baroda, Vadodara for providing financial support in the form of fellowship. I also extend my sincere thanks to the office staffs of CASE and the Faculty of Education and Psychology, The Maharaja Sayajirao University of Baroda, Vadodara for their cordial support.

I express my deepest gratitude to my parents and my in-laws for their concern, constant moral support and help all through the research work. I express my special gratitude to my husband, Mr. Neerav Lakhera and daughter Shreya for being cooperative and motivating throughout my research.

Last but not least, I would like to extend my deepest thanks to the almighty for blessing me with the strength that kept me standing through all tests during this endeavour.

Vadodara  
September, 2017
