

## **ACKNOWLEDGEMENT**

My silent thanks giving ever and ever to the almighty's infinite grace and compassion that continued to light up every foot step till this research journey's end.

The multifarious features of this study could be successfully accomplished only by the persistent support, guidance and encouragement of all concerned. I am highly indebted to my guide Prof. Ashutosh Biswal for his guidance, unstinted support and persistent encouragement. I wish to express my heartfelt thanks to him for instilling in me the zeal to carry out this study with the proper understanding of intricacies of research and developing in me the robust optimism by his constant involvement at every stage. I feel lucky to get a guide like him who has special humane qualities like unlimited patience, highly encouraging positive attitude and vast generosity. His most appreciable quality as a research guide is he never pointed out mistake as an error, rather he directed me towards rectification as a step towards betterment and correction in real sense. The words and space will always be inadequate to thank a guide like him.

I also wish to express my deepest gratitude to Prof. R. C. Patel, Head, Department of Education and Dean, Faculty of Education & Psychology, The Maharaja Sayajirao University of Baroda, Vadodara for his generous administrative and academic support in numerous ways to conduct research successfully. I take this opportunity to thank Prof. S. Kumar, Former Dean, Faculty of Education and Psychology, The M.S. University of Baroda, Vadodara, for his administrative and academic support and encouragement. I would also like to thank experts who helped me in constructing the tools. I extend my thanks to all the staff members and library staff of Faculty of Education & Psychology, The M. S. University of Baroda, Vadodara for their timely support without which this study would have been incomplete. Thanks to the Smt. Hansa Mehta Library, The M. S. University of Baroda, for providing rich literature. The rich presentations and in-depth academic discussions of the CASE Tuesday Seminars and Saturday Researchers' Forums groomed the researcher in me progressively. I express my hearty thanks to all fellow researchers at CASE for their support and encouragement.

I take this opportunity to thank Dr. Sanjay Gupta, Associate Professor at R. H. Patel English medium B. Ed. College, Gandhinagar, affiliated to the Kadi Sarva Vishwa Vidyalaya, Gujarat and Dr. Rishiraj Balwaria, Assistant Professor at Navrachna University for giving permission and providing all the necessary facilities required for the data collection.

It is my pleasure to thank my entire sample of Pre-Service and In-service Student-teachers for their co-operation with enthusiasm for learning by filling up the tools. It was a wonderful experience with them during data collection gaining deep insight into the realm of secondary teacher education programmes.

My thanks also reach out to my best friends Arpita Chatterjee, Sujay and Altaf Kureishi who always encouraged me and believed in me that I can do it.

I also wish to express my deepest gratitude to my husband Chandra Mohan, brother Deependra Kumar Singh and sister Kiran Singh who encouraged and supported me at every stage. It is an honour for me to express my gratitude to my beloved parents Smt. Ramavati Devi and Shri. Mankeshwar Singh, whose love, care, concern and encouragement cannot be measured. I thank my lovely son Pulkit and daughter Akshita, who has grown fantastic in spite of my spending a lot of time away from them, conducting research.

I extend my gratitude to each and every entity for supporting me in this research endeavour. Last but not the least I thank The Maharaja Sayajirao University of Baroda, Vadodara for the opportunity given to study and complete the research successfully.

Thank you one and all.
