Chapter One: Conceptual Framework	01-37
Introduction	01
Education at Secondary Stage	03
Aims of Education at Secondary Stage	04
The Adolescent in Secondary School	05
Characteristics of Adolescents	05
Further Classification of characteristics of Middle Age Adolescents	06
Intellectual Characteristics of Middle Age Adolescents	06
Moral Characteristics of Middle Age Adolescents	07
Physical Characteristics of Middle Age Adolescents	07
Emotional/ Psychological characteristics of Middle Age Adolescents	08
Social characteristics of Middle Age Adolescents	09
Purpose of developing thinking skills in adolescents at Secondary Level	10
Academic Status of secondary school student	11
Definition of Life Skill	12
Type of Life Skills / Basic Areas of Generic Life Skills	13
Thinking Skills and their Components	14
Skill of Critical Thinking	15
Skill of Creative Thinking	16
Skill of Decision Making	17
Skill of Problem Solving	18

Thinking Skills and their relation to the subject Science at Secondary level	19
Teaching of Science at Secondary Stage	20
Definition of Science	20
Nature of Science	21
Science as a process	21
Science as a product	22
Recommendations of Various Commissions related to Teaching of Science	22
Objectives of Teaching Science	24
Status of Teaching Science in India and particularly in Gujarat	24
Need for development of life skills in adolescents of secondary school	26
Approaches and Methods for developing Life Skills at Secondary Level	28
Exclusive Life Skill Approach	29
Integrated Approach	29
Experiential activities for Integrated Life Skill Education	31
Rationale for this study	32
Research Questions	34
Statement of the problem	34
Objectives of the study	34
Explanation of the term	34
Operationalisation of term	35
Hypothesis of the Study	35
Delimitations of the study	37
Limitation of the Study	37
Chapter Two: Review of Related Literature	38-97
Introduction	38
Studies related to Development of Life Skills	39
Studies on the scope for Development of Life Skills for adolescents	39
Studies on Development of Life Skills through curriculum of “Life Skills”	44
Studies on development of Life Skills by Integrated Approach	54
Major Observations of the studies related to development of Life Skills	58
Trends observed in studies related to development of life skills	59
Research Gaps identified from studies related to development of life skills	61
Studies related to Teaching of Science	61
Studies related to Status of teaching of science in India	62
Studies Related to Status of Teaching of Science Particularly in Gujarat	67
Observations of the Studies related to Teaching of Science	71
Research Trends and Gap Related to Teaching of Science in India	73
Trend of Researches in each decade from 1947 to 2013	73

Research gaps Studies related to Teaching of Science	75
Studies on teaching of Science by different strategies	75
Observations of the studies on teaching of science	92
Trends observed in the area of teaching science with different strategies	94
Research gap observed in reviewed researches on teaching science	95
Implications of the review of related literature for present study	96
Implications of related literature on development of Life Skills through Teaching of Science	96
Implications of studies related to Status of Teaching Science with different strategies	97
Conclusion	97
Chapter Three: Research Design & Methodology of the Study	99-123
Introduction	99
Research Design of the Study	99
Population for the Study	100
Sample and Sampling Technique	102
Criteria for the selection of Experimental Group	102
Criteria for the selection of Control Group	102
Description of the School of Experimental Group	103
Description of the School of Control Group	103
Sources of Data	104
Tools and Techniques employed for Data Collection	105
Tools Construction	105
Semi Structured Interview Part A and Part B	105
Situation Based Pre test for each Life Skill	105
Pre test to study existing status of critical thinking skill	106
Pre test to study existing status of Creative Thinking Skill	107
Pre test to study existing status of Decision Making Skill	107
Pre test to study existing status of Problem Solving Skill	108
Situation Based Posttest	109
Post test to study existing status of critical thinking skill	110
Post Test to study existing status of Creative Thinking Skill	111
Post Test to study existing status of Decision Making Skill	111
Post test to study existing status of Problem Solving Skill	112
Construction of Observation Diary	112
Construction of Opinionnaire	113
Construction of Programme Feedback Sheet	114
Principles followed while constructing tests	115

Principles followed while constructing Pre test	115
Principles followed while constructing post test	116
Data Collection	117
Procedure followed for Data Collection	118
Phase I: Study of existing status of life skills before LSEP	118
Administration of Situation based Pre Test for Students	118
Phase II: Development and Implementation of LSEP	119
Development of Intervention Programme	119
Implementation of Intervention Programme LSEP	121
Phase III: Study of existing status of life skills after the Implementation of Intervention Programme	122
3.7.3.1 Administration of Post tests	122
3.8 Data Analysis	123
Chapter Four: Data Analysis and Interpretation	124-195
Introduction	124
Development of Life Skill Education Programme (LSEP)	124
Implementation of LSEP	144
Study of Effectiveness of Life Skill Education Programme (LSEP)	170
Analysis of the score of life skills studied before and after the treatment for the experimental group	171
Analysis of gain scores of life skills under study of experimental group to that of control group	172
Analysis of post test scores of experimental group and control group	173
Effectiveness of LSEP in terms of students' response in development of life skills as observed by the researcher during implementation of LSEP	175
Analysis of life skills recorded using Observation Diary	186
Analysis of opinions of students related to their choice of preference	189
Analysis of students' response to the activities of LSEP with respect to the difficulty they experienced during performance	190
Feedback on LSEP given by Principal and colleagues through Programme Feedback Sheet after the implementation	195
Chapter Five: Findings and Discussion	196 -207
5.1 Introduction	196
5.2 Major Findings	196
5.3 Discussions on Findings	202
5.4 Conclusion	206

Chapter Six: Summary and Implications	208-232
Introduction	208
Title of the study	209
Objectives of the study	210
Hypotheses	210
Operational Definition of the Terms	211

Delimitation of the study	212
Limitation of the study	212
Methodology	212
Design of the study	212
Population	213
Sample	214
Tools and Techniques of Data Collection	215
Data collection	216
Data analysis	216
Major findings	216
Discussions on Findings	223
Implications of the Study	226
Suggestions for further Studies	230
Conclusion	231
