Dr.S.K.Saxena, a man of simple habits, unassuming traits and a voracious reader, who with his sophisticated mind and cultivated tastes, gave me many scholarly suggestions. I was benefitted largely by his personal interest in me.

I also extend my sincere thanks to Prof.Markand J.Bhatt, Dean, Faculty of Performing Arts, M.S.University of Baroda, for his extremely human behaviour and kindness. He took much personal interest and made inquiries during my research work.

I shall be failing in my duty, if I don't mention the name of Shri N.N.Sinha, a Vocalist of rare talent, Reader, Faculty of Education, Banaras Hindu University, Varanasi, for his constant encouragement. Shri N.N.Sinha has been my most intimate friend, philosopher and guide in many respects. For him the more said the less it is.

My family members' tremendous support saw me through this present undertaking. In this context, I mention the name of my wife, Dr.(Mrs.Vasundhara M.Purandare who

cooperated a lot in this work at the time of my ill-health. Without her enlightened cooperation and understanding this work would have been difficult to complete.

Last but not the least important is Mr.D.R.Nigoskar who deserves special thanks. He typed the thesis in a very short time despite many personal occupations.

Special thanks are also due to Shri Pratap More for binding the copies of thesis in a short time.
