

AUTHOR'S PUBLICATIONS

- 1) "Designing Sustained Release Capsule Employing Laser Drilling", presented during XXXV Indian Pharmaceutical Congress, Hyderabad, Dec. 1983.
- 2) "Designing of Slow Release Capsule Employing Laser Drilling", J. Pharm. Sci., in press.
- 3) "Laser Drilled Slow Release Tetracycline Capsules : In Vitro and In Vivo Performance and Stability - Compared With Conventional Capsules", J. Pharm. Sci., communicated, Sept. (1984).
- 4) Designing of Sustained Release Laser Drilled Capsules : In Vitro and In Vivo Performance of Propranolol Laser Drilled SR Capsules, Compared with Two Commercial Products", J. Pharm. Sci., communicated, Sept. (1984).
- 5) Commercial and Economic Feasibility Report on use of Laser in Designing Controlled Drug Delivery Systems in a Pharmaceutical Industry", communicated for presentation during XXXVI Indian Pharmaceutical Congress to be held at Bangalore, Feb. (1985).
