

ACKNOWLEDGEMENTS

In the accomplishment of this thesis successfully many people have bestowed upon me their blessings and the heart pledged support. It is a pleasant aspect that I have now the opportunity to express my gratitude to all of them.

I would like to express my deep and sincere gratitude to my research guide **Dr. M. R. Yadav**. It is beyond words that I express my profound gratitude to him for his pivotal role in providing me with excellent guidance, constructive criticism, unstinted help and critical evaluation of the work without which I could not have been able to accomplish this work. Every time, I meet him, I can feel the fire in the belly. Apart from the technical and scientific guidance, I highly admire his systematic style of working, unbiased nature and perpetual encouragement. I am greatly indebted to him for his moral support and constant creative motivation throughout my studies. *“He never pushed me too hard, just enough to make me fly”*.

I convey my deepest gratitude to **Dr. Kirti Patel** for her continuous support, guidance, cooperation, encouragement and for facilitating all the requirements for biological studies of the work. I am really glad to be associated with a person like her in my life.

My special words of thanks should also go to **Late Prof. Rajani Giridhar**, Faculty of Pharmacy, for her moral support, valuable advice when and wherever required and unbound love during the study.

I am highly grateful to **Prof. Krutika Sawant**, Dean, Faculty of Pharmacy, The M.S. University of Baroda, for cordial support, valuable information and guidance, which helped me in completing this task through various stages. I am also thankful to **Dr. Hetal Thakkar**, Co-ordinator, **Dr. Kirti Patel** and **Mr. S. P. Rathod**, Former Co-ordinators, Shri G. H. Patel Research Building, for providing the necessary facilities during the course of the work. I would like to express my deepest appreciation to all other faculty members of the Pharmacy Department for providing knowledge and guidance time to time.

I express my thanks to **Dr. Prashant Murumkar** for sharing his valuable insights and helping me whenever I needed.

I heartily acknowledge **Dr. Navnit Prajapati** for sharing his knowledge in medicinal chemistry and for his never ending support, valuable suggestions and encouragement during the entire course of work.

I gratefully acknowledge **Dr. Ashish Kanhed** for their counsel, supervision, and crucial contribution toward my development during the last few years, which made him the backbone of my research work. His concern with his originality has triggered a lot of change in my frame of mind and personality and has nourished my intellectual maturity. The astonishing experiences that I achieved during the course of the work from him will definitely benefit me throughout my life. I am heartily thankful to him.

Goodness can never be defined and good human beings can never be denied. This line suitably tags on my dear one **Mr. Dushyant Patel**. His cooperation, motivation and support have always kept me going ahead. I owe a lot of gratitude to him for always being there for me. He never say NO to me for anything. Without you, I could not have been able to accomplish this work. I truly feel blessed to have a friend like him during my life.

I wish to express my heartiest thanks to **Dr. Umesh Desai** and **Daniel Afosah** (Virginia Commonwealth University) for in vitro biological studies. I also thank to **Dr. Hardik Gandhi**, **Mr. Sagar Patel**, and **Mr. Hardik Savsani** for the help provided by them during the biological experiments. I whole heartedly thank them for their valuable suggestions and tireless efforts in all these studies without any constraint.

I am thankful to **Mr. Amit Ravani** and **Mr. Dixit Prajapati** for providing spectral analysis of my compounds and **Mr. Bharat Senta** for HPLC analysis.

I take this opportunity to express my SPECIAL THANKS to my Research Team; **Mrs. Priyanka Thakor**, **Ms. Sarwangee Patel**, **Mr. Deep Kansara**, **Mr. Prashant Joshi**, **Mr. Kishan Patel**, **Ms. Dharti Shah**, **Mr. Bhavik Shah**, **Ms. Aarti Bhetaria**, **Mrs. Bhumi Gandhi** for helping out during entire research work. You all have done an excellent job. I also like to appreciate selfless support from **Mr. Abhishek Shah**, **Mr. Nikunj Parekh**, **Ms. Ghoshiya Kureshi**, **Ms. Shrusti Shukla**.

It gives me great pleasure to acknowledge the support and cooperation rendered by my seniors and labmates **Dr. Riyaj Tamboli, Dr. Mahesh Shidore, Dr. Neetesh Agrawal, Dr. Mayank Sharma, Mr. Atul Khadse, Dr. Mahesh Barmade, Mr. Rahul Ghuge, Mrs. Monica Nair and Mr. Rahul Barot.**

I express my sincere thanks to **Mrs. Vaishali Patel, Mrs. Bhumi Upadhyay, Mr. Bharat Chokshi, Ms. Jalpa Saidane** and other non teaching staff of Pharmacy Department for their co-operation and support. I would like to express my special thanks to **Mr. Pragnesh Vasava and Mr. Kiran Bhai** for their valuable support in procurement of chemicals and equipments.

I express my thanks to **Pramod Bhai, Nagin Bhai, Pravin Bhai, Jagdish Bhai, Prashant Bhai** and other non-teaching staff of Shri G. H. Patel Research Building for their co-operation during the course of the work.

I would like to thank **Bhumik Patel, Bharat Senta, Virendra Rathva, Jigar Thanki, Karan Samyani, Sumit Baria, Manish Advani, Dharmendra Damor, Dixit Prajapati, Kaushik Shingala, Pragnesh Upadhyay, Anand Nimavat, Nimesh Patel, Denish, Hitesh Ravaliya, Hiten Raval, Rahul Dhande, Karan Mittal, Mohit Mahajan and Pawan Thakur** for supporting me whenever I needed and giving good memorable moments in these years.

I find myself with limitation of words to express my deep sense of gratitude to my Mom **Mrs. Manjula Patel** and Dad **Mr. Rajeshbhai Patel**. It was the love and indispensable support of my all family members who provided me with the best possible of everything in my intellectual pursuits.

I would like to express my deepest gratitude towards my better half for her eternal support and understanding of my goals and aspirations. Her patience and sacrifice will remain my inspiration throughout my life. It would be ungrateful on my part if I thank **Parul** in these few words.

I am greatly indebted to University Grant Commission (UGC-BSR), New Delhi, for awarding Research Fellowship I am also thankful to Pharmacy Department, The M. S. University of Baroda for providing Ph.D. contingency.

Finally, Thanks to almighty for his blessings on me forever.....
