

APPENDIX IAUTHOR'S PUBLISHED WORK

1. New Substituted Hydroxamic acids for Spectrophotometric Determination of Cerium(IV), Bunseki Kagaku, 32, E 137 (1984).
2. Extraction and Spectrophotometric Determination of Titanium(IV), Analyst, (Accepted).
3. Thermal Analysis of N-Arylhydroxamic acids, J. Thermal Analysis, (Accepted).
4. Extraction and Spectrophotometric Determination of Niobium(V) Analyst (Communicated).
5. Mixed-ligand Complexes of Vanadium(V) : Extraction with some New Acids and Application in Steel, Rock and Environmental Analysis, Bull. Soc. Chim. Belgs. (Communicated).
6. Extraction and Spectrophotometric Determination of Zirconium(IV), Anal. Lett. (Communicated).
