

## Acknowledgements

First and foremost, I thank the Almighty to whom I owe my very existence, for providing me this opportunity and granting me the capability to proceed successfully. I am grateful for His provision of joys, challenges and grace for growth that have been bestowed upon me during this research work, and indeed, throughout my life.

I would like to express immense gratitude and profound thanks towards my mentor, **Dr. Hetal P Thakkar**, for her patience, motivation, enthusiasm, trust and immense knowledge. Her excellent guidance, priceless advices, insightful discussion, constant encouragement, profuse assistance, skillful suggestions and continuous support throughout the experimental and thesis works are the bases for the success of this research. With deepest gratitude I acknowledge my guide for picking me up as one of his research students and providing me an excellent experimental atmosphere for completing this research work.

I am highly indebted to **Prof. A. N. Misra**, Former Dean, Faculty of Technology & Engineering; **Prof. M. R. Yadav**, Former Dean, faculty of Pharmacy; **Prof. S. J. Rajput**, Former Dean, faculty of Pharmacy; **Prof. Krutika K. Sawant**, Dean, Faculty of Pharmacy and Head, Pharmacy Department for providing me the support and encouragement to perform my research work comfortably.

My sincere thanks go to Covex S.A., Madrid, Spain for providing the gift samples of Vinpocetine. I would also like to thank Purac Biomaterials, Netherlands; Lipoid GmbH, Germany and 3M™, USA for providing gift samples of PLGA, Phospholipids and Transdermal patch components, respectively. I would like to acknowledge SAIF, IIT Bombay, Mumbai for providing Transmission Electron Microscopy facility; **Dr. Suresh Balakrishnan**, Department of Zoology, The M. S. University of Baroda for providing Cryo-microtome facility; **Dr. Sarita Gupta**, Head, Dr. Vikram Sarabhai Institute of Cell and Molecular Biology, The M. S. University of Baroda for providing Confocal microscopy facility and Suraktam Blood Bank, Vadodara, for providing human plasma for *in vivo* studies. I am sincerely thankful to the University Grants Commission (UGC), New Delhi for providing Research Fellowship under UGC-BSR-RFSMS programme which helped me to carry out the research work without any financial constraint.

I am really thankful to **Dr. Neetesh Agrawal**, **Dr. Riddhish Patadia** and **Dr. Mohit Mahajan** for their help in IR and DSC studies. I would like to thank **Mr. Hardik Savsani** and **Mr. Sagar Patel** for their help during animal studies.

I would like to acknowledge my research colleagues and friends **Mr. Chintan Patel**, **Dr. Rahul Dhande**, **Dr. Arpita Patel** and **Dr. Jagruti Desai**

for their technical support in the laboratory over my present research work.

I wish to thank my best friends **Dr. Piyush Mundada, Dr. Abhinesh Kumar, Dr. Abhishek Pathak, Dr. Veenu Mundada** and **Mr. Kishlay Kumar** for their constructive suggestions, moral support and creating a pleasant atmosphere in hard moments.

I would like to pay high regards to my **Mummy-Papa** for their unconditional support, both financially and emotionally throughout my life. My better half, **Jayati** and the two little angels in my life, **Sarthak** and **Samriddhi** deserve special mention. The love, patience and understanding shown by them during the research period are immeasurable. Words are short to express my deep sense of gratitude towards **Didi-Jijaji, Bhaiya-Bhabhi, Prasoon, Prakriti, Shreyasi** and **Stavya** for their endless love, prayers, continual support and encouragement throughout these years.

I would like to thank the non-teaching staff members at **Shri G.H. Patel Pharmacy building** and **Kalabhavan** for their kind cooperation.

Finally, I am using this opportunity to express my gratitude to everyone who supported me throughout the course of my Ph.D. I am thankful for their aspiring guidance, invaluable constructive criticism and friendly advice during the project work.

I wish to dedicate this dissertation to **Almighty, Guide, Family** and **Friends**.
