

ACKNOWLEDGEMENTS

My deepest gratitude goes to almighty “God” for showering his infinite bounties, graces and mercies on me and energized me for 24 hrs, without which this work was impossible.

*Very special thanks to god for appointing an distinguished personality to guide me at the front foot of my research career; **Prof Ambikanandan Misra**, Pharmacy Department, Dean, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, Vadodara. His timely advice, constructive criticism and extraordinary knowledge would have been sufficient, but he was seemingly omnipresent with support. His constructive ideas, infinite patience, best understanding and steady encouragement have sustained me through innumerable diversity of projects. It is indeed my good fortune to have been able to work under the guidance of a teacher of his calibre. I would always ruminate to his genuine concern and support during hard times and right direction during difficult decisions. I would not be exaggerating if I would say that he even altered my way of thinking and functioning.*

*I am immensely thankful to **Prof. M. R. Yadav**, Head, Pharmacy Department and **Prof K. K. Sawant**, Co-ordinator, Shri G H Patel Pharmacy Building for providing all the necessary facilities and equipment required for my research work. I feel great pleasure to thank **Prof R. Giridhar**, **Prof S. Rajput**, **Dr. Rajashree Mashru**, **Dr. Hetal Thakkar**, **Mrs. Hemal Tandel**, **Mr. S P Rathod** for their constant help during my research work.*

Pharmacy Department, The Maharaja Sayajirao University of Baroda is the institute, which harboured the very education and training, I went through. I thank my alma mater for its uninhibited, growth-oriented and progressive environment. I am proud to be MSUcian and would love to enjoy this identity for life.

I am thankful to Indian Council of Medical Research (ICMR) and Department of Biotechnology, Maharaja Sayajirao University Interdisciplinary Life Science Programme for Advance Research and Education (DBT MSUB_ILSPARE) for providing me financial support without which I would have been weaker financially.

*I also express my special thanks to **Prof. Sarita Gupta**, co-ordinator, DBT-ILSPARE for providing facilities to carry out cell culture studies. I take a special note of thanks to **Akhilesh** and **Komal** for their untoward help to carry out cell line studies.*

*I am thankful to **Director, SICART**, Vallabh Vidhyanagar for carrying out TEM studies.*

*I am sincerely thankful to **Hardik, Anshuman and Jatin** for helping me to carry out animal studies; **Ashish** for helping me in CADD. I would also like to thank **Abhishek Pathak, Prachi Bhamre** for helping me in carrying out HPLC studies and DSC Studies.*

***Imran Vhora** a person who never care about himself but a real time and help donor. Thanks to him for his knowledge sharing with me. **Sushilkumar Patil**, a real researcher who go into depth of each fact and gain through understanding. All discussion with him helped a lot in my research. I am quite grateful to him.*

***Mohan Rathi**, a friend with whom I spent my whole pharmaceutical education life. I shared very good times with him; he is the one who introduced me with my guide. **Atul Kolate** a work dedicated person who was always present with me in every moment of my Ph D. He accepted every silly mistakes of my practical work and helped me in improving practical knowledge. **Dipesh Baradia** for being there with every happy and sad moment of my Ph D. **Chetan Yewale**, for being a good human friend. **Priyanka Bhatt**, for her help in learning cell line and gene delivery. I appreciate **Jiten Amrutiya** and **Ravi Gandhi** for helping me in my Ph D thesis.*

*A special thanks to **Rima Kotadia** who worked as an helping hand for conducting experiments with full dedication towards work. I am grateful to her for her good help and support at times of need.*

*My experiences would not have been as meaningful without my colleagues of our department: **Piyush (Jethaji)** for helping me in my work and personal life, **Praveen, Rahul, Mahesh Baramde, Chintan Vora, Riddhish, Reshma Jain** and all other research scholar. They all have made my time great and helped me in my day to day work. My sincere thanks to you friends!!*

*In this respect, I would like to thank **Vaishali Madam and Heenaben** for being very kind and considerate. I sincerely thank all the non-teaching staff for the smallest help they have offered.*

*I express my deep sense of gratitude and sincere thanks to **Mr Shripad Gadhinglajkar**, General Manager, Formulation and Development Department, Ipca Laboratories, Mumbai for **his**, motivation to do Ph D.*

*I would like to express my gratitude to my loving father, mother, brothers (**Shripad and Sangam**) and wife **Anjali** for overwhelming support, love, inspiration, encouragement throughout my life.. I hope with my hard work and dedication, I would be able to translate all their dreams into reality.*
