

Acknowledgement

I take this opportunity to thank and express my gratitude to all those who directly or indirectly helped me to accomplish this venture.

First of all, I would like to thank Almighty, the supreme soul who has perpetually blessed me with love and courage and whose unseen guidance made this work possible in a useful way.

*I express deep sense of gratitude to my Ph.D. supervisor **Dr. (Mrs.) S. J. Rajput**, Professor of Pharmacy, for her enthusiasm, inspiration and great efforts to explain things clearly and simply which have shaped me as a researcher. She provided me encouragement, sound advice and great help while planning and executing the experiments throughout my tenure. I am truly indebted to her for the countless hours she patiently spent with me to get me here. Words cannot describe the joy it has been to work with her.*

*My sincere thanks are also due to **Prof. M.R. Yadav, Professor and Head and Dr. A. N. Misra, Professor and Dean, Pharmacy Department, Faculty of Technology and Engineering, The M.S. University of Baroda**, for providing necessary facilities.*

*My heartfelt thanks to **Mr. S. P. Rathod, Coordinator, Center for PG studies and Research in Pharmacy, The M. S. University of Baroda**, for providing necessary facilities to carry out the research work.*

*I am also thankful to **UGC-JRF & SRF, New Delhi** for providing financial assistance for carrying out this work.*

I also extend my sincere thanks to all the teaching staff of Pharmacy Department, Faculty of Technology and Engineering, The M. S. University of Baroda.

I also thank to all non teaching staff of Pharmacy department for their cooperation and support.

*I am thankful to **Amsar Pvt.Ltd., Indore, M. P.** for providing the extracts with certificate of analysis (COA).*

*I am also thankful to **M/s Torrent Pharmaceuticals, Ahmedabad** for providing animals required for the pharmacological study.*

I am also thankful to Vaibhav Analytical Laboratory, Ahmedabad, for heavy metal analysis of the plant materials and microbial contamination studies.

I am also grateful to Dr. Devkar, Zoology department, The M. S. University of Baroda for his great help in in-vitro studies.

No words can express my gratefulness towards my dear friends Diti Desai, Greeshma Patel, Dipti Ruikar, Madhuri Baghel, Mohit Mahajan, Nasir Vadia, Prachi Bhamre, Abhishek Pathak, Shital Gandhi, Riddhish Patadia, Chintan Vora and Karan for their unforgettable help, support and encouragement during the entire tenure of my work.

My sincere thanks are due to Hardik, Ravi, Amit sir, Jagruti, Mitali, Venu mam and all my friends in the pharmacy department for their cooperation. I am also grateful to my juniors Suraj, Bhumi, Swati, Rucha, Prakruti, Ruchi, Avni, Asiya & Bindiya for their help whenever needed.

*I convey my heartfelt thanks to **Akash M. Jain** for his undemanding support, inspiration and co-operation.*

*I am also touched with the patience and love shown by my cute little son, **Arth**. It is only their love and support that has made my dream comes true.*

With respect, I would like to say thanks with too much love to my father Late Arvindbhai Panchal, and my mother, Late Ansoyaben Panchal, who laid the foundations of what I am. They showed me path for study and encouraged me in each and every step of my life in difficult situation.

I would like to thanks my mother-in-law (Rekha Jain) and father-in-law (Mitheleshbhai Jain) who have stood behind me in every endeavor and have provide constant encouragement whatever be the situation.

Finally I would like to appreciate the endless love, care, patience and faith shown on me by my brother (Dipak Panchal) and my sisiters (Kanisha di & Alka di).

Last but definitely not the least, I pay my reverence to my institute, Shri G.H.Patel Pharmacy Building, Pharmacy department. I am undeniably proud to be associated with the Pharmacy Department.
