

Acknowledgement

It is moment of gratification and pride to look back with a sense of contentment at the long traveled path, to able to recapture some of the fine moments, to be able to thank infinite numbers of people, some who were with me from the beginning, some who joined at some stage during the journey, whose kindness, love and blessing has brought this day. I wish to thank each one of them with all my warmth.

*Firstly, and most essentially my humble solicitation to The Supreme power **The GOD** for giving me a chance as human to live and survive and being my constant companion, strong source of inspiration and my ultimate Guardian. It is because of His blessings and ultimate support I could accomplish my research work.*

*Words seem insufficient to express profoundest gratitude to my esteemed guide **Dr. (Ms.) Rajashree Mashru**, Associate Professor, Pharmacy Department, Faculty of Technology and Engineering, The M.S. University of Baroda. Her discipline, principles, simplicity, the profound knowledge and the subject understanding influenced me a lot. She has given me enough freedom in my research to explore the new ideas and has always been nice to me. Her directions, serendipitous observations, questioning thoughts, discussions and constructive criticism helped me to make necessary improvements. I will always remember her as a calm and humble nature person. I am thankful to Almighty for giving me mentor like her. It is my privilege to say that it has been a most fruitful and enjoyable experience to work under her untiring and dynamic guidance.*

*I am immensely thankful to **Dr. Ambikanandan Misra**, Dean, Faculty of Technology and Engineering, The M.S. University of Baroda, for his valuable guidance and providing excellent facilities for research work.*

*I would like to express my gratitude to **Dr. M.R. Yadav**, Head, Pharmacy Department, Faculty of Technology and Engineering, The M.S. University of Baroda and co-ordinators of G.H. Patel Pharmacy building, Pharmacy Department; **Dr. (Mrs.) Krutika Sawant**, **Dr. (Mrs.) Sadhna Rajput** and **Mr. S.P. Rathod** for providing infrastructure and facilities to complete this work.*

*I would like to thank **Prof. Rajani Giridhar** for providing constant moral support and encouragement during my tenure.*

*I would like to extent my appreciation to **Mr. Bhavik Chauhan** and **Dr. Prashant Murumker** for providing support and encouragement.*

*I would like to express indebted and heartfelt thanks to Basic in Science Research Division, **University Grant Commission**, New Delhi for providing financial assistance in terms of fellowship during this tenure.*

I am also thankful to all non-teaching staff of Pharmacy Department, Kalabhavan and Pharmacy Department, G.H. Patel Pharmacy Building for their kind cooperation.

*I gratefully acknowledged my dear friend **Mr. Alpesh Patel**, Research Scientist, Formulation and Development Department, Emcure Pharmaceuticals Limited, Ahmedabad for his precious suggestions, unending assistance and helping me especially in learning basics and various softwares of Design of Experiments. His appreciable cooperation during the Ph.D. work will be remembered.*

*I wish to express my heartiest thanks to my dear friend **Mr. Paras Raveshiya**, Intas Pharmaceuticals limited, Ahmedabad, especially for providing me IT facilities (laptop) during my tenure for compilation, paper writing and thesis writing in addition to his constant encouragement and moral support.*

*I am immensely thankful to my dear friend, **Mr. Riddhish Patadia** for always being there and bearing with me the good and bad times during my wonderful days of Ph.D. The discussions, encouragement and critiques made by him helped me a lot in my work. Moreover, his valuable suggestions especially in Analytical method development are highly appreciated. His substantial support during the Ph.D. work will be remembered.*

*My heartfelt thanks to my friend, **Mr. Mohit Mahajan** for his valuable support and encouragement in lab. He was more as a good friend than a colleague. I would always remember him as a gentleman and humble person helping out everybody in department.*

*I am enormously thankful to my friend, **Mr. Karan Mittal** especially for helping me in carrying out cell line studies and his valued suggestions in encountering IT problems and Analytical method development.*

*My personal and sincere appreciation goes to my dear friend **Mr. Akash Patel** for giving me constant motivation and encouragement.*

*I extend my appreciation to **Mr. Ravi Gandhi** who was more as a good friend than junior for his encouragement, support and encountering IT and software problems. I would especially remember the lunch time spend with him.*

*I would like to acknowledge my friends **Jatin Machi, Mayank Sharma, Mahesh Bermade, Imran Vohra, Jitendra Amrutiya, Hardikbhai, Ashish Kahned** and **Navneet Prajapati** for all their personal and professional help that they have extended to me throughout. I will always remember the Chai per Charcha and dinner time spend with them. I would also express my heartfelt thanks to my juniors **Bharat, Bhumik, Satish, Bhavesh** and **Rikin**.*

*My deep and heartily thanks to my friends **Bhargav, Kalarav, Rakshit, Ritesh, Parimal, Dharmesh, Jimmy, Ronak, Hinesh, Jay, Satish Patel, Prerak** and **Ujjwall** who always encouraged and supported me.*

*I express my gratitude to my colleagues/friends **Abhishek Pathak, Reshma Jain, Prachi, Diti** and **Madhuri Bhagel** for their support. I would always remember the lunch time and birthday celebrations made with them.*

I am grateful to Zydus Cadila Healthcare Ltd., Ahmedabad, Welable Pharmaceuticals, Mehsana, Signet Chemical Corporation, Mumbai, Gattefose Ltd., India, Colorcon Asia Pvt. Ltd., India, and Evonik Industries, India for providing gift samples.

I am thankful to Metallurgical and Materials Engineering Department, Faculty of Technology and Engineering, The M.S. University of Baroda, Vadodara, Gujarat, India for providing skillful assistance in SEM and PXRD testing study. I am also thankful to Sophisticated Analytical Instrumentation Facility, Panjab University, Panjab, India for also providing skillful assistance in carrying out PXRD testing. I am also thankful to Electrical Research and Development Association, Vadodara for also providing skillful assistance in carrying out SEM analysis and testing.

*At this moment, I must acknowledge the love, blessings and trust expressed by my **Dad** who though physically not present with me but his teachings, morals and blessings always encourage me in every stage of my life in achieving my goals and becoming a human being.*

*I am wordless and can't express my feelings for the moral support, blessings and administration that I got from my beloved **Mom**, without whom I have not been able to reach here and also for her teachings which helped me in every stage of my life. I would always remember the sacrifices made by her for achieving my goals. She has been to me my role model in my life.*

*I owe my thanks to my sweet sister **Dhruti Jijaji Bhaveshkumar** and niece **Jenisha** for their emotional support and motivation.*

Lastly, I would like to thank all the people who was important to the successful realization of the thesis as well as expressing apology if I have forgot to mention any of one personally.

Chintan N. Vora
