

ACKNOWLEDGEMENT

First and foremost, I would like to extend my sincere gratitude to my research guide Dr. (Mrs.) Hetal P. Thakkar for introducing me to this exciting field of pharmacy and for her dedicated help, advice, inspiration, encouragement and continuous support, throughout my Ph.D. Her enthusiasm, integral view on research and her mission for providing high-quality work, has made a deep impression on me. During our course of interaction, I have learnt extensively from her, including how to raise new possibilities, how to regard an old question from a new perspective, how to approach a problem by systematic thinking, data-driven decision making and exploiting serendipity. I owe her lots of gratitude for having me shown this way of research. I am really glad to be associated with a person like her in my life.

I express my sincere thanks to Prof. (Mrs.) S. J. Rajput, Dean, Faculty of Pharmacy, Prof. (Mrs.) K. K. Sawant, Head, Faculty of Pharmacy, Prof. A.N. Misra, Prof. M. R. Yadav, Dr. Prashant Murumkar, Dr. Rajashree Mashru, Dr. P. Nagar, Mr. S.P. Rathod, Mrs. Hemal Tandel, Dr. Navneet Prajapati, Mr. Bhavik Chauhan for providing me the timely help, valuable suggestions whenever sought for. I thank Dr. Kirti Patel, Co-ordinator of Shri G.H. Patel Pharmacy Building for having provided me with the necessary laboratory facilities and help during animal studies.

I am pleased to acknowledge the financial support for my project work as UGC BSR-RFSMS, University Grants Commission, New Delhi that has enabled me to proceed with my research work.

I extend my sincere gratitude towards Sun Pharma Advanced Research Centre, Vadodara for providing me the gift sample of Gemcitabine Hydrochloride. I thank Cipla Ltd. Mumbai, India. for providing me Vinorelbine Tartrate as gift sample. My thanks towards Lipoid, GmBH, Germany for providing me the lipid samples for my research work.

I also express my special thanks to Dr. Rakesh Kumar Sharma, Scientist 'G', Head of CBRN Department and Dr. Amit Tyagi, Scientist 'D', Nuclear Medicine Department, Institute of Nuclear Medicine and Allied Sciences (INMAS), DRDO, Ministry of

Defense, New Delhi, India for supporting necessary facilities and help to carry out In-Vivo Biodistribution studies. I would like to thank Mr. Thakuri Singh, Mr. Harish Rawat, Anil Bhai and Priyanka Chhabra for their co-operation and help during the in vivo studies.

I am thankful to Dr. Abhishek Pathak and the Dr. Vikram Sarabhai Science Block, The M.S. University of Baroda for helping me carry out the LCMS analysis. Mohit Mahajan for helping me in DSC analysis and Dr. Neetesh Agrawal for helping me in FTIR analysis. I wish to express my heartiest thanks to Sagar Patel, Jaimin and Hardik Savsani for their help provided during in vivo experiments.

My thanks towards the non-teaching staff members at G. H. Patel Pharmacy Building and Kalabhavan for their kind co-operation. Special thanks to Mrs. Vaishali Patel and Mrs. Heena Verma for their constant help during all this time. I would like to avail this rare opportunity to articulate my genuine appreciation towards the non-teaching staff at University Office- Chirag Bhai and Mayur Bhai for their timely help in all the matters related to the official documentation.

I would also like to extend my appreciation to my colleagues and friends, especially Pravin Kumar (Bhai), Chintan Patel, Jagruti Desai, Aditi Poddar, Chetan Yewale, Dipesh Baradia, Girish Kore, Imran Vhora, Priyanka Bhatt, Ankit Javia, Jitendra Amrutiya, Veenu Mundada, Piyush Mundada, Abhinesh Kumar, Abhijit Pandey, Ravi Gandhi, Parva Jani for their advice and their willingness to share their bright thoughts with me along with some cheerful moments, which were very fruitful for shaping up my ideas and research. I surely will cherish those moments for life.

I will take this opportunity to thank my big brothers in hostel Dr, Riyaz Tamboli, Dr. Hemant Mande, Dr. Harish Talele, Dr. Rajesh (Anna), Dr. Sanjay Parihar. I look upon you all with respect and can never forget the words of encouragement and sometimes scolding and help you provided me during the ups and downs of my stay in hostel. I would take a moment to thank Narayan, Samudra bhai and all staff of Dr. V.S. Hall for providing me a comfortable stay in Baroda.

I express my heartfelt thanks to all my hostel friends Karan Mittal, Dr. Rahul Nath Choudhury (Bangali), Riddhish Patadia, Mohit Mahajan, Jafar Khan, Vishal Bhat, Hitesh Ravaliya, Nirav Patel, Dushyant Patel, Anand Nimawat, Karan Samayani, Dixit Prajapati, Dharmendra, Bharat Senta, Again Sagar Patel and many more whose names I might be missing.

I would like to extend huge and warm thanks to my best childhood friends without whom my life seems colorless. Special thanks to Prashant, Hitesh, Deepak, Mukesh, Kumar, Amol, Swapnil, Vaibhav and special thanks to Prerit for constantly being the source of my happiness and making my life beautiful.

My sincere and heartfelt thanks to all of them, who might have contributed somehow in my life but I failed to recognize them. I honestly express regret, but know that my thanks go out to you as well.

No thanks would be enough to appreciate the constant support of Dr. D.P. Bharambe and Mrs. Surekha Bharambe, who are my local guardian in Baroda. Bharambe sir supported me throughout my Ph.D. It well said that family isn't always blood; family is all those people who stood by you and never made you feel lonely whenever you need them. Thank you is just not enough for the help and support you gave me when I needed the most.

My profound gratitude for my in laws for believing in me Mummy (Varshaben) and Papa (Ashok bhai). I would not miss out on thanking my brother in law Ankit, thank you in true sense.

Thanks to my family feels insignificant as I am indebted for my Parents Aai and Dada for all the good deeds they have done for my health, career and everything. Words cannot describe for all the sacrifices you have made on my behalf. Your teaching have made me what I am now. A special thanks to my sister Sheetal, my niece Hitali and nephew Yogeshwar.

A very special and heartfelt thanks to my wife Dr. Arpita for her love and constant support, for all the trouble I cause, and for keeping me sane over the past few months.

Thank you for being my muse, editor, proofreader, and sounding board. But most of all, thank you for being my best friend. I owe you everything.

And Finally, Thank you god for giving me the strength and faith to keep going. My belief in you has constantly provided me the needed support and confidence throughout my life.

Dhande Rahul Devidas
