

ACKNOWLEDGEMENTS

To fulfill a dream, it needs to be first converted to an aspiration, then executed and further nurtured to accomplish into an achievement. The task of research is no effortless requiring ability, inspiration, patience, perseverance, blessings, good wishes and prayers. The task was not easy, but the journey was made easier by help, support, concern, stimulation and rejuvenation of precious populace. I would like to take this opportunity to offer my heartfelt thanks to a number of people without whose constant help and encouragement, this thesis would never have been possible.

First of all, I am heartily gratified to Honorable Sir Sayajirao Gaekwad, the founder of The Maharaja Sayajirao University of Baroda, for establishing such a wonderful and multidisciplinary education foundation.

I would like to express my deepest gratitude to my mentor and esteemed Supervisor, **Prof. (Mrs.) Sadhana J Rajput**, Dean & Head, Pharmacy Department, Faculty of Pharmacy, The M S University of Baroda, for her supervision, advice, and guidance from the very early stage of this research as well as giving me freedom to explore my ideas, timely impetus, requisite facilities and extraordinary experiences throughout the work. Her truly scientific intuition has made her as a constant oasis of ideas and passions in science, which exceptionally inspire and enrich my growth as a student, a researcher and a scientist. I am privileged to work under her guidance and improve my intellectual and managing skills.

I owe my deepest gratitude to Late. Prof. Rajani Giridhar, Prof. A. N. Misra, Prof. M. R. Yadav, Prof. Krutika K. Sawant, Dr. Rajashree Mashru, Dr. P. A. Nagar, Mr. S. P. Rathod, Dr. Hetal Thakkar, Mrs. Hemal Tandel, Dr. Kirti Patel, Dr. Prashant Murumkar, Dr. Navneet Prajapati and Mr. Bhavik Chauhan for their valuable suggestions, help and necessary laboratory facilities whenever sought for.

I take this opportunity to sincerely thank the University Grants Commission, New Delhi, Government of India, for availing the financial support in term of BSR-RFSMS Fellowship during this course.

I gratefully acknowledge the gift samples of Ritonavir and Lopinavir provided by Hetero Pharmaceuticals Pvt. Ltd. Hyderabad and Lupin Pharmaceuticals Ltd. Pune, respectively. I also acknowledge the Sun Pharma Advance Research Company (SPARC), Vadodara, India for providing the TEM facility. I am thankful to central salt and marine chemical research institute, Bhavnagar for providing the facility XRD and N₂-adsorption and desorption isotherms.

I offer my sincere thanks to non-teaching staff members at Pharmacy department, Kalabhavan campus and G. H. Patel Building for their kind cooperation.

I wish to express my heartiest thanks to my dear friends Dr. Chintan Vora and Dr Riddhish Patadiya for the help in experiments. I wholeheartedly thank them for their tireless efforts in all these studies without any constraint.
