

## **ACKNOWLEDGEMENTS**

*With vital devotion, I express my foremost heartfelt gratitude in the name of the Almighty for directing and navigating me to and through this project to the successful accomplishment of my long cherished dream of this thesis with strength, assets, confidence and faith.*

*Words are too trivial and scarce to convey my profound sense of indebtedness, gratefulness and honor for being driven by the revered guidance of **Dr. Mukul Jain**, President, Zydus Research Centre, Ahmedabad, India and **Professor Ambikanandan Misra**, Pharmacy department, Dean, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda. His encouraging, patient and insightful guidance towards innovative and quality work has pervaded in me the essence of dedication, hard work, morality and sincerity towards research and investigation. His constructive ideas, intelligent, determined and qualitative approach has served my way not only to complete this project, but also to face further challenges of life. I would always ruminate to his genuine concern and support during hard times and right direction during difficult decisions. I take this golden opportunity to express the feel of pride and good fortune to have such a kind and preeminent individuality as my supervisor.*

*Special thanks to Dr. Mukesh Ukawala, Head of NDDS Dept. Zydus Research Centre, Ahmedabad, for the kind support and for providing me necessary facilities and guidance for research work. I shall thank Dr. Abhijit Chaterjee, Dr. Amit Joharpurkar, Scientist, pharmacology, Zydus Research Centre, Ahmedabad for their helpful suggestions and encouragement.*

*I also express my special thanks to Dr. Jogeshwar Mohapatra, Scientist, pharmacology dept, Zydus Research Centre, Ahmedabad for providing all the required materials, equipment and facilities to carry out In-vivo efficacy study. I take a special note of thanks to Imran Vohra, Jitendrakumar Amrutiya, Priyanka and Ankit Javia for their untoward help to carry out different research activities of cell line studies and paper publication activity.*

*I would like to thank my all colleagues, Nirav Khatri, Dipesh Bardia, Ms. Jagruti Desai, Mohan Rathi, Atul Kolte, Hardik Gandhi, Dr. Manisha Lalan, Bhavik Shah, Dr. Sachin Naik, Dr. Gitanjali Kher, Dr. Sonia Trehan, Girish Kore, Pankaj Patel, Dr. Sanket Pandya, Kaushal Patel, Maulesh Vyas, Jaymeen Sharma, Amit Prajapati, Sunil Sahu, Tishir Gandhi, Deepak Lodhiya and all research Scholars who had helped me directly or indirectly, for their fruitful advice and constant co-operation during tenure of research work.*

*I take this opportunity to express my thanks to Mr. Ashish Gupte and Mr. Purvish Patel, HR Manager and non-teaching staff members in the Zydus Research Centre, Ahmedabad and in the Pharmacy department, Kalabhavan and Pharmacy department, G. H. Patel Building for their kind cooperation.*

*My family deserves special mention for their inseparable support and prayers. Whatever endeavor, I have put to complete this work, would not have been possible without their support. Words fail me to express my gratitude to all my family members, their dedication, love and persistent confidence in me. I owe for their patience until completion of my dissertation.*

*Finally, I would like to thank everybody who was important to the successful realization of the thesis, as well as expressing my apology that I could not mention personally one by one.*

***Jitendrakumar D Patel***
