

Acknowledgement

This has been a wonderful and enriching journey, more so than I ever anticipated. I feel immense pleasure in expressing my gratitude towards all those who have lent a helping hand in accomplishment of my PhD research project.

First of all, I pay reverence to the almighty GOD who has perpetually blessed me with love and courage. Research is arduous task which requires lots of patience and hard work, which is only possible with the divine bliss.

It gives me profound pleasure to express my gratitude towards my esteemed guide. It was a great privilege to work under the guidance of my revered guide and mentor Prof. (Dr.) Krutika K. Sawant, Faculty of Pharmacy, The Maharaja Sayajirao University of Baroda, Vadodara. She has been far more than anyone could ask for an advisor. Her generosity in sharing her knowledge and experience has been boundless and her love for innovation and new ideas has been contagious. I thank her for her guidance, support, insightful conversations and most importantly for freedom of thought, expression and implementation. Without her encouragement and inspiration, it would not have been possible for me to bring my PhD research to its present shape.

I want to express my sincere gratitude to Prof. (Dr.) Sadhna J. Rajput, Dean, The Maharaja Sayajirao University of Baroda, Vadodara for making generous provisions of excellent facilities and providing a stimulating research environment. I thank her for her kindness, co-operation, continuous enthusiasm and inspirational words. I would like to express my heartiest thanks to other faculty members namely, Prof. (Dr.) Ambikanandan Misra, Prof. (Dr.) M.R. Yadav, Dr. Hetal Thakkar, Dr. Kirti Patel, Dr. Rajashree Mashru, Dr. R.S Rathod, Dr. Nagar, late Dr. Rajani Giridhar, Dr. Prashant Murumkar and Dr. Hemal Tandel, for their support and help.

I also express my thanks to all the coordinators during my tenure, for their constant support and for providing the best instrument and other research facilities. I also express my heartiest thanks to Heena mam, Vaishali mam, Chandrakant Bhai and

Bhoomi mam for their help and support. I would like to thank all non-teaching staff members at G.H.Patel Pharmacy Building, Vadodara.

I feel myself very lucky to have a very friendly co-operative working atmosphere. From core of my heart, I am very grateful to the selfless support of my seniors, friends and colleagues, Piyush Mundada, Abhinesh Kumar, Lalji Rathod, Abhijeet Pandey, Kinjal Parikh, Aditi Poddar, Ritu Khudara, Dhaval Bhavsar, Praveen Srivastav, Chintan Patel, Priyanka Bhatt, Hinal Patel, Jiten Amurutiya, Vivek Patel, Rohan Lalani, Imran vora, Sushil Patil, Mohit Mahajan, Prachi Karia, Sagar Patel, Parv Jani and Hardik Savsani who made themselves available for discussions and advices which was a great help in my research. I consider their encouragement, keen interest and advice throughout my research work, most precious. I would like to thank all my juniors for their wonderful company, support and cooperation.

Special thanks to Veenu Mundada, Prachi Bhamre, Priya Shah, Madhuri Baghel, and Reshma Jain, whose help, support and guidance made my research pathway simpler. Joyous moments spent with them would be worth remembering.

Writing this paragraph is making me more excited as well as emotional because it's all about friends- Friends who stood by me when I needed them the most and Friends without whom the journey would not have been possible. A lot of thanks to my all-time best buddies Mitali, Nairavi, Krupa, Swapnil, Dhaval, Mitul, Jiten, Parth Shah, Kruti Parth Shah, Meet, Tessy, Panna, Rudra, Ami, Raju, Bhavya, Nilam, Manisha, Shweta, Priya and Shivani for their constant and continuous support and trust that kept me going even during the tough moments.

I also thank Dr. Mrunali Patel and Dr. Sangita Shukla for their continuous guidance, support and help throughout my PhD journey.

I am greatly indebted to Department of Science and Technology (DST), New Delhi for awarding "Innovation in Science Pursuit for Inspired Research (INSPIRE) Fellowship, for providing financial assistance for the research. I thank the Faculty of Pharmacy, the M. S. University of Baroda for providing Ph.D. contingency. My

Special thanks to Late Prof. (Dr.) B.B. Chatoosir, Genome Research Center, Faculty of Science, The M. S. University of Baroda for carrying out performance assessment for upgradation of JRF to SRF.

I express my heartiest thanks to Prof. (Dr.) Sarita Gupta, Head, Dr. Vikram Sarabhai Institute of Cell and Molecular Biology, The M. S. University of Baroda for providing Flow cytometry and Confocal facility during my research work,

I thank Dr. (Mrs.) Bharati R. Rehani, Department of Metallurgical and Materials Engineering, Faculty of Technology and Engineering for her support and providing the facility of X-Ray Diffractometer.

I also thank Dr. Bina R. Sengupta, Department of Chemical Engineering Faculty of Technology and Engineering for her support and providing the facility of Viscometer.

I thank Principal and Dr. Rashmin B. Patel, A R College of Pharmacy and G H Patel Institute of Pharmacy, Vallabh Vidyanagar for their support, help and providing facility of High Pressure Homogenizer.

I thank Director, Sophisticated Instrumentation Centre For Applied Research & Testing (SICART), Sardar Patel Centre for Science & Technology, Charutar Vidya Mandal, Vallabh Vidyanagar for providing facility for Transmission Electron Microscopy (TEM).

I would also like to thank Prachi Bhamre, Priya Shah and Mohit Mahajan for their help in IR and DSC study. I would also like to thank Jaimin, Dipika, Ruhi and Anny for their kind support and help in Animal study.

I express my reverence and gratitude to my parents (Harishbhai and Champaben), Rekhamasi and Navinmasaji who despite facing all hardships of life made me capable enough to reach here and provided me with all that I ever wished for, and more. My special thanks to my Brother (Ritesh), Bhabhi (Shraddha), Deep, Jeet, Dignesh and Chirag for their encouragement, care, love and a just goodtime.

I wish you could be here to see for which you had always supported and encouraged me. Your question "Haji ketlu bahnish" is answered finally. Unfortunately, you are not here. My remembrance to, Late. Mrs. Shantaben M. Patel (Nani), Late Dr. Suresh J. Sanghvi (Sanghvikaka) and Late Mr. Vasantbhai G. Patel (Grandfather).

Lastly, I would like to apologize to all those who I have not mentioned by name but have asked them favors without inhibition whenever, whatsoever required.

Above all, I thank the supreme power for bringing me down to my knees, so that I could stand up again....

Date: 24/7/2017

Place: Vadodara.
