

ACKNOWLEDGEMENT

It is indeed true that accomplishment of any goal calls for hard work, sincerity and dedication, but such an accomplishment of goal becomes achievable and falls within one's reach if one proceeds with proper method and right direction. Firstly, I would like to express my sincere gratitude to my guide **Dr. M. R. Yadav**, Professor, Faculty of Pharmacy, The Maharaja Sayajirao University of Baroda, for his continuous support and motivation throughout my Ph. D. study along with his patience, motivation, and immense knowledge. His guidance helped me during time of research and thesis writing. His truly scientific intuition has made him as a constant oasis of ideas and passions, which exceptionally inspired and enriched my growth as a student and researcher.

I convey my deepest gratitude to **Late Prof. Rajani Giridhar**, Faculty of Pharmacy, for her moral support, valuable advice when and wherever required and unbound love during the course of the study.

I feel great to express my deepest sense of gratitude and special thanks to **Dr. R. C. Mashru**, Asso. Prof., Pharmaceutical Chemistry, Faculty of Pharmacy, The Maharaja Sayajirao University of Baroda, for her continuous and constant encouragement throughout my research work and scientific writing.

I am also grateful to **Dr. S. J. Rajput**, Dean, Faculty of Pharmacy, The Maharaja Sayajirao University of Baroda and **Dr. Krutika Sawant**, former Coordinator, G. H. Patel Pharmacy building, The Maharaja Sayajirao University of Baroda, for providing the necessary facilities during the course of the work. Special support from Dr. Shailesh Shah, Dr. R. Balaraman, Dr. Prashant Murumkar, is also appreciated.

I take this opportunity to express gratitude and appreciate selfless support and suggestion by Dr. Ravishanker Kovi, Dr. A. L. Prasad, Dr. Jayaraman, Dr. Anand Mantri and Dr. Palesh Pal from Omegene life-sciences Ltd. and Apicore Pharmaceutical Ltd., Vadodara for helping out in entire tenure. My special thanks go to Dr. Hardik Gandhi, Mr. Naresh Patel and Dr. Anshuman Sinha for carrying out some of the biological studies during my research work. I am thankful to Krunali Goswami, Asmita Patel, Sanjay Jagani, Amit Ravani and Nirav Patel for contributions during their M. Pharm. Projects.

Collective and individual acknowledgments are also owed to lab mates whose presence somehow perpetually refreshed, helpful, and memorable. Many thanks goes in particular to
