

ACKNOWLEDGEMENTS

First of all, I pay reverence to the almighty GOD who has perpetually blessed me with love and courage. Research is arduous task which requires lots of patience and hard work, which is only possible with the divine bliss.

I owe an immense gratitude towards my parents and my dear sis and grandparents for their love, support, blessings and giving me moral hold up to achieve this stage in my life.

I thank honourable Sir Sayajirao Gaekwad, the founder of the Sayajirao University of Baroda, for establishing such a wonderful and multidisciplinary education foundation.

It gives me profound pleasure to express my gratitude towards my esteemed guide. I am greatly privileged to get a chance to work under the guidance of my revered guide Prof. (Mrs.) Sadhana. J. Rajput whose active guidance helped me to develop research skills and scientific working. She always encouraged me and had faith in me with lots of patience and positivity. Due to her inspiration, I could climb up the ladder of my PhD research.

I express my deep sense of gratitude towards our ex-vice-chancellor Prof. Yogesh Singh, the vice-chancellor Dr. Parimal Vyas & our Dean Dr. M. R. Yadav for providing excellent facilities and giving constant encouragement for research work.

I also express my thanks to all the co-ordinators during my tenure, for their constant support and for providing the best instrument and other research facilities.

I also express my heartiest thanks to late Dr. Rajani Giridhar, Dr. Rajashree Mashru, Dr. R.S Rathod, Dr. Krutika Sawant, Dr. Nagar, Dr. Kirti Patel, Dr. Hetal Thakkar, Dr. Prashant Murumkar, Dr. Navneet Prajapati, Dr. Hemal Tandel, Mr. Bhavik Chauhan for their support and help.

I express my earnest thanks to my friends Charmi, Viral, Kirtan and Dhruv for their kind help and motivation.

I feel myself very lucky to have a very friendly co-operative working atmosphere. From core of my heart, I am very grateful to the selfless support of my seniors, friends and colleagues, Deepti Ruikar, Abhishek Pathak, Reshma Jain, Madhuri Baghel, Mohit Mahajan, Priya Shah, Chintan Vora, Riddhish Patadia, Greeshma Patel, Naseer Vadia, Diti Desai who made themselves available for discussions and advices which was a great help in my research. I consider their encouragement, keen interest and advice throughout my research work, most precious. A lots of thanks to Mitali, Hardik Gandhi, Ravi Gandhi, Jagruti Desai, Ashish Kanhed, Palash Pal, Pravin Srivastav, Veenu Mundada, Hinal Patel whose help, support and guidance made my research pathway simpler. I thank my M.Pharm Juniors Rikin Shah, Bhavin Prajapati, Suraj Fanse who made my research very simple with their wonderful knowledge and discussions.

I am greatly indebted to University Grant Commission (UGC), New Delhi for awarding UGC-BSR (RFSMS) Fellowship, for providing financial assistance for the research. I thank the Faculty of Pharmacy, the M. S. University of Baroda for providing Ph.D. contingency.

I express my heartiest thanks to Dr. Vikram Sarabhai Research Center, The M. S. University of Baroda for providing LC-MS facility during my research work and Pradeep Sarkate for his help and co-operation.

I thank Dr. Priti Mehta, Head, Quality Assurance, Nirma University for her support and providing the facility of Raman spectrometer at the Faculty of Pharmacy, Nirma University.

I thank Dr. Vaishali Patel, the scientific officer, Food and Drug Laboratory, Vadodara and Mr. Dhaval Shah for the kind co-operation and for providing the facility of NIR and Raman at their premises.

I also acknowledge Prof. R. Shrivastava, Department of Statistics, Faculty of Science, The Maharaja Sayajirao University of Baroda, Vadodara, India, for computational and statistical guidance.

I also express my heartiest thanks to Hasumati mam, Heena mam, Vaishali mam, Chandrakant Bhai for their help and support.

Date: 12/7/2016

Place: Vadodara.
