

## **ACKNOWLEDGEMENTS**

*With vital devotion, I express my foremost heartfelt gratitude in the name of **Almighty** for directing and navigating me to and through this project to the successful accomplishment of my long cherished dream of this thesis with strength, assets, confidence and faith.*

*Words are too trivial and scarce to convey my profound sense of indebtedness, gratefulness and honour for being driven by revered guidance of **Dr. Mrs. Hetal Paresh Thakkar**, Pharmacy department, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda. Her encouraging, patient and insightful guidance towards innovative and quality work has pervaded in me the essence of dedication, hard work, orality and sincerity towards research and investigation. Her constructive ideas, intelligent, determined and qualitative approach has suaved my way not only to complete this project but also to face further challenges of life. I would always ruminate to her genuine concern and support during hard times and right direction during difficult decisions. I take this golden opportunity to express the feel of pride and good fortune to have such a kind and preeminent individuality as my supervisor.*

*I am immensely thankful to **Prof. M. R. Yadav**, Head, Pharmacy Department and **Mr S P Rathod**, Co-ordinator, Shri G H Patel Pharmacy Building for providing all the necessary facilities and equipment required for my research work. I feel great pleasure to thank **Prof. K K Sawant**, **Prof S. Rajput**, **Dr. Rajashree Mashru**, **Dr Kirti Patel**, **Mrs. Hemal Tandel**, **Dr. P. Nagar**, **Mr S P Rathod**, **Dr Prashant Murumkar** for their constant help during my research work.*

*I am thankful to University Grant Commission (UGC) for providing me financial support without which I would have been weaker financially.*

*I also express my special thanks to **Prof. Sarita Gupta**, co-ordinator, DBT-ILSPARE for providing facilities to carry out LCMS and cell culture studies. I am thankful to **Director, Panjab University**, Chandigarh for carrying out TEM studies. I take a special note of thanks to **Akhilesh** and **Komal** for their untoward help to carry out cell line studies.*

*I am sincerely thankful to **Hardik**, and **Jatin** for helping me to carry out animal studies; **Prachi Bhamre**, **Mohit Mahajan** and **Mahesh** for helping me in carrying out DSC and FTIR studies.*

*There is no suitable word to convey my regards to **Dr Nirav Khatri** who helped me along the way continuously, kept me going and urged me to accomplish this project. He had always been great teacher for me, I learned a lot from him. **Dipesh Baradia**, a friend forever. I shared very good times with him; he supported me a lot when I was in bad need. **Imran Vhora**, a self-made man, had been my great friend. He was always there to be counted in, whenever I needed somebody to side with. Thanks to him for his great manner and timely togetherness.*

*Special thanks are extended to **Mohan Rathi, Arpita Patel, Reshma Jain, Priyanka Bhatt, Jitendra Amrutiya and Rohan Lalani** for being of good help and support at times of need. My experiences would not have been as meaningful without my colleagues of our department: **Praveen, Rahul, Chintan, Rakhee, Hinal, Chetan, Sushil, Aditi, Riddhish, Neetesh, Navneet** and all other research scholar. They all have made my time great and helped me in my day to day work. My sincere thanks to you friends!!*

*In this respect, I would like to thank **Vaishali Madam and Heenaben** for being very kind and considerate. I sincerely thank all the non-teaching staff for the smallest help they have offered.*

*My sincere thanks to my loving friends **Palak and Priyanka Pancholi** as without their help, moral support, love, trustworthy friendship this work wouldn't have been possible.*

*I would like to express my indebtedness to my loving **parents** and my husband, **Vishal** with inexpressible gratitude, for their unflagging love, inspiration, encouragement, and support. I am also thankful to my beloved brother (**Hemal**), Bhabhi (**Sejal**), **naughty Niece (Krina) and my in-laws**. I hope with my hard work and dedication, I would be able to translate all their dreams into reality.*
