

## ACKNOWLEDGEMENTS

I am highly indebted to my guide Dr. (Mrs.) S. J. Mehta for her untiring and painstaking efforts to help me finish this work. To her I am highly obliged.

I extend a special appreciation to Prof. D. B. Desai, Dean, Faculty of Education and Psychology and Head of CASE, for his kind cooperation in allowing me to work in his institution and permitting me to use the CASE Library. I am also grateful to Prof. M. S. Yadav for encouraging me to attend the regular seminars as well as the National seminars from which I gained a lot.

I value highly, the contribution and guidance of the Ex-Dean, Dr. A. S. Patel, who helped me especially for the statistical analysis of the data and the research designs used in this study.

Above all, I wish to express appreciation and thanks to all the friends who have helped me directly or indirectly to accomplish this piece of doctoral research.
