

ACKNOWLEDGEMENT

My silent thanks giving ever and ever to the Almighty's infinite grace and mercy that continued to light up every foot step till this Research Journey's end.

The multifarious features of this study could be successfully accomplished only by the persistent support, guidance and encouragement of all concerned. I am highly indebted to my guide Prof. Ashutosh Biswal, Department of Education, Faculty of Education & Psychology, The M. S. University of Baroda, for his guidance, unstinted support and persistent encouragement. I wish to express my heartfelt thanks to him for instilling in me the zeal to carry out this study with the proper understanding of intricacies of research and developing in me the robust optimism by his constant involvement at every stage. I feel lucky to get a guide like him who has special humane qualities like unlimited patience, highly encouraging positive attitude and vast generosity. His most appreciable quality as a research guide is that he never pointed out mistake as an error, rather he directed me towards rectification as a step towards betterment and correction in real sense. The words and space will always be inadequate to thank a guide like him.

I extend my earnest gratitude to Prof. R. C. Patel Dean, Faculty of Education & Psychology and Head, Department of Education for his continuous guidance and support forever. I express my sincere thanks to Prof. R. G. Kothari, Prof. S. C. Panigrahi, Prof. Jaishree Das, and Prof. Sujata Srivastava for their continuous assistance and encouragement to achieve this goal. I extend my gratitude to other faculty members who have directly and indirectly supported me in my work. I am immensely grateful to the experts for their discerning review and reflections that helped me in construction and development of tools.

I gratify the management of the P. P. Savani chaitanya Vidya Sankul, Abrama, Surat, The Delhi Public School, Surat and team of Teachers for their unstoppable optimistic approach, support and hand in the construction and implementation of research without any interference. I thank the Principal and the Management of the both of these schools and their students to tryout the developed constructivist approach for the study.

It was nothing else but the immortal support of my Wife Mrs. Sangeeta Yadav and kids Sidhant and Uplakshya Yadav, parents Shree Bhagwati Prasad Yadav and Shiv Rani Yadav, my younger brother Ajay Yadav and other family member showered on me that encouraged, motivated and enlightened me to accomplish the undertaken task. I gratitude to one and all who have directly and indirectly extended their well wishes and cooperation that made this endeavor possible and made the cherished dream come true.
