

LIST OF TABLES

No.	TITLE OF THE TABLE	Page No.
2.1	Distribution of the Studies carried out on Values	177
2.2	Table showing Phasing of Research Activity on Values / Value Education	180
2.3	Levels of Researches	180
2.4	Types of Research by Grade / Groups	181
3.1	Frequency, Percent, Valid Percent, Cumulative Percent of 400 In-service Teachers according to Gender, Qualification, Section, Experience	211
3.2	Depicting the Data of 600 In-service Teachers according to Gender, Qualification, Section, Experience to achieve the Objective 2 and Objective 3	214
4.1	Components identified for the Traditionally Accepted Universal Human Values-Truth, Beauty, Goodness	232
4.2	Distribution of 186 Statements of the Try-out Form of Attitude Scale according to Components and Polarity	253
4.3	Mean, Standard Deviation and t-values of 186 Statements of the Attitude Scale for the Preliminary Draft of the Try-out Scale	258
4.4	Distribution of Ninety Statements selected for the Final Format of Attitude Scale according to Components and Polarity	262
4.5	Table showing commonly accepted Rule of Thumb for Describing Internal Consistency-Cronbach's Alpha	265
4.6	Distribution of Statements and Cronbach's Alpha	266
4.7	Pearsons Correlation Coefficient of Fifteen Components among themselves and Truth, Beauty, Goodness and Overall	267
4.8	Table showing Results of Item-Analysis done on Ninety Items on Fifteen Components	270
4.8 a	Table showing the 'Items Retained' after the Item-Analysis	271
4.8 b	Table showing the 'Items Dropped' after the Item-Analysis	271
4.9	Table showing Eigen Values, Percentage of Variance and Cumulative Percentage	273
4.10	Total Variance explained showing Cumulative Percentages	273
4.11	The Rotated Component Matrix showing Factor Variables in Two Components	275

4.12	The Two Components found by Principal Component Analysis and the Factor Variables that load on them	275
4.13	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis of the 400 In-service Teachers for establishing Norms	276
4.14	Percentile Norms for the Distribution of Attitude Scores of the 400 In-service Teachers towards the Traditionally Accepted Universal Human Values– Truth, Beauty, Goodness	279
4.15	Percentile Norms for the Distribution of Attitude Scores of the Sample of 400 In-service Teachers (321 Female and 79 Male) towards the Traditionally Accepted Universal Human Values-Truth, Beauty, Goodness	279
4.16	Percentile Norms for the Distribution of Attitude Scores of the Sample of 400 In-service Teachers (170 Graduate and 230 Postgraduate) towards the Traditionally Accepted Universal Human Values- Truth, Beauty, Goodness	280
4.17	Percentile Norms for the Distribution of Attitude Scores of the Sample of 400 In-service Teachers (236 Primary, 89 Secondary and 75 Higher Secondary) towards the Traditionally Accepted Universal Human Values-Truth, Beauty, Goodness	280
4.18	Percentile Norms for the Distribution of Attitude Scores of the Sample of 400 In-service Teachers (251 teachers with experience up to 10 years, 100 teachers with experience 11-20 years and 49 teachers with experience 21 years and above) towards the Traditionally Accepted Universal Human Values - Truth, Beauty, Goodness	281
5.1	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Values - Truth, Beauty, Goodness (overall)	284
5.2	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value - Truth	286
5.3	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value-Beauty	287

5.4	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value-Goodness	288
5.5	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 1- <i>Impartiality</i> of the Traditionally Accepted Universal Human Value - Truth	289
5.6	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 2- <i>Responsibility</i> of the Traditionally Accepted Universal Human Value - Truth	290
5.7	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 3- <i>Integrity</i> of the Traditionally Accepted Universal Human Value – Truth	291
5.8	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 4- <i>Faith</i> of the Traditionally Accepted Universal Human Value – Truth	292
5.9	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 5- <i>Courage</i> of the Traditionally Accepted Universal Human Value – Truth	293
5.10	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 6- <i>Punctuality</i> of the Traditionally Accepted Universal Human Value – Beauty	294
5.11	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 7- <i>Regularity</i> of the Traditionally Accepted Universal Human Value - Beauty	295
5.12	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 8- <i>Cleanliness</i> of the Traditionally Accepted Universal Human Value – Beauty	296

5.13	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 9- <i>Politeness</i> of the Traditionally Accepted Universal Human Value – Beauty	297
5.14	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 10- <i>Love</i> of the Traditionally Accepted Universal Human Value - Beauty	298
5.15	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 11- <i>Patience</i> of the Traditionally Accepted Universal Human Value - Goodness	299
5.16	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 12- <i>Kindness</i> of the Traditionally Accepted Universal Human Value – Goodness	300
5.17	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 13- <i>Empathy</i> of the Traditionally Accepted Universal Human Value – Goodness	301
5.18	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 14- <i>Inoffensiveness</i> of the Traditionally Accepted Universal Human Value – Goodness	302
5.19	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis, Percentiles for the Distribution of 600 In-service Teachers' Attitude Scores towards the Component 15- <i>Forgiveness</i> of the Traditionally Accepted Universal Human Value - Goodness	303
5.20	The Percentile Norms for the Distribution of 600 In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Values - Truth, Beauty, Goodness (overall)	304
5.21	The Percentile Norms for the Distribution of 600 In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Truth	304
5.22	The Percentile Norms for the Distribution of 600 In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value - Beauty	305

5.23	The Percentile Norms for the Distribution of 600 In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value - Goodness	305
5.24	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 481 Female In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Values - Truth, Beauty, Goodness (overall)	306
5.25	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 481 Female In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Values – Truth	307
5.26	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 481 Female In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value - Beauty	308
5.27	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 481 Female In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value - Goodness	309
5.28	The Percentile Norms for the Distribution of Attitude Scores of 481 Female In-service Teachers towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	310
5.29	The Percentile Norms for the Distribution of Attitude Scores of 481 Female In-service Teachers towards the Traditionally Accepted Universal Human Value – Truth	311
5.30	The Percentile Norms for the Distribution of Attitude Scores of 481 Female In-service Teachers towards the Traditionally Accepted Universal Human Value – Beauty	311
5.31	The Percentile Norms for the Distribution of Attitude Scores of 481 Female In-service Teachers towards the Traditionally Accepted Universal Human Value – Goodness	312
5.32	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 119 Male In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Truth, Beauty, Goodness (overall)	312
5.33	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 119 Male In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Truth	313

5.34	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 119 Male In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Beauty	314
5.35	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 119 Male In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Goodness	315
5.36	The Percentile Norms for the Distribution of Attitude Scores of 119 Male In-service Teachers towards the Traditionally Accepted Universal Human Values - Truth, Beauty, Goodness (overall)	316
5.37	The Percentile Norms for the Distribution of Attitude Scores of 119 Male In-service Teachers towards the Traditionally Accepted Universal Human Value - Truth	317
5.38	The Percentile Norms for the Distribution of Attitude Scores of 119 Male In-service Teachers towards the Traditionally Accepted Universal Human Value - Beauty	317
5.39	The Percentile Norms for the Distribution of Attitude Scores of 119 Male In-service Teachers towards the Traditionally Accepted Universal Human Value - Goodness	318
5.40	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 248 Graduate In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Values - Truth, Beauty, Goodness (overall)	321
5.41	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 248 Graduate In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value - Truth	322
5.42	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 248 Graduate In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value - Beauty	323
5.43	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 248 Graduate In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value - Goodness	324
5.44	The Percentile Norms for the Distribution of Attitude Scores of 248 Graduate In-service Teachers towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	325

5.45	The Percentile Norms for the Distribution of Attitude Scores of 248 Graduate In-service Teachers towards the Traditionally Accepted Universal Human Value – Truth	326
5.46	The Percentile Norms for the Distribution of Attitude Scores of 248 Graduate In-service Teachers towards the Traditionally Accepted Universal Human Value – Beauty	326
5.47	The Percentile Norms for the Distribution of Attitude Scores of 248 Graduate In-service Teachers towards the Traditionally Accepted Universal Human Value – Goodness	327
5.48	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 352 Postgraduate In-service Teachers’ Attitude Scores towards the Traditionally Accepted Universal Human Values - Truth, Beauty, Goodness (overall)	327
5.49	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 352 Postgraduate In-service Teachers’ Attitude Scores towards the Traditionally Accepted Universal Human Value - Truth	328
5.50	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 352 Postgraduate In-service Teachers’ Attitude Scores towards the Traditionally Accepted Universal Human Value - Beauty	329
5.51	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 352 Postgraduate In-service Teachers’ Attitude Scores towards the Traditionally Accepted Universal Human Value - Goodness	330
5.52	The Percentile Norms for the Distribution of Attitude Scores of 352 Postgraduate In-service Teachers towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	331
5.53	The Percentile Norms for the Distribution of Attitude Scores of 352 Postgraduate In-service Teachers towards the Traditionally Accepted Universal Human Value – Truth	332
5.54	The Percentile Norms for the Distribution of Attitude Scores of 352 Postgraduate In-service Teachers towards the Traditionally Accepted Universal Human Value – Beauty	332
5.55	The Percentile Norms for the Distribution of Attitude Scores of 352 Postgraduate In-service Teachers towards the Traditionally Accepted Universal Human Value – Goodness	333

5.56	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 323 Primary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Values- Truth, Beauty, Goodness (overall)	336
5.57	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 323 Primary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Truth	337
5.58	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 323 Primary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value - Beauty	338
5.59	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 323 Primary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value - Goodness	339
5.60	The Percentile Norms for the Distribution of Attitude Scores of 323 Primary School In-service Teachers towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	340
5.61	The Percentile Norms for the Distribution of Attitude Scores of 323 Primary School In-service Teachers towards the Traditionally Accepted Universal Human Value – Truth	340
5.62	The Percentile Norms for the Distribution of Attitude Scores of 323 Primary School In-service Teachers towards the Traditionally Accepted Universal Human Value – Beauty	341
5.63	The Percentile Norms for the Distribution of Attitude Scores of 323 Primary School In-service Teachers towards the Traditionally Accepted Universal Human Value –Goodness	341
5.64	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 136 Secondary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	342
5.65	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 136 Secondary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Truth	343

5.66	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 136 Secondary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Beauty	344
5.67	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 136 Secondary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Goodness	345
5.68	The Percentile Norms for the Distribution of Attitude Scores of 136 Secondary School In-service Teachers towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	346
5.69	The Percentile Norms for the Distribution of Attitude Scores of 136 Secondary School In-service Teachers towards the Traditionally Accepted Universal Human Value – Truth	347
5.70	The Percentile Norms for the Distribution of Attitude Scores of 136 Secondary School In-service Teachers towards the Traditionally Accepted Universal Human Value – Beauty	347
5.71	The Percentile Norms for the Distribution of Attitude Scores of 136 Secondary School In-service Teachers towards the Traditionally Accepted Universal Human Value – Goodness	348
5.72	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 141 Higher Secondary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	348
5.73	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 141 Higher Secondary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Truth	349
5.74	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 141 Higher Secondary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Beauty	350
5.75	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 141 Higher Secondary School In-service Teachers' Attitude Scores towards the Traditionally Accepted Universal Human Value – Goodness	351

5.76	The Percentile Norms for the Distribution of Attitude Scores of 141 Higher Secondary School In-service Teachers towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	352
5.77	The Percentile Norms for the Distribution of Attitude Scores of 141 Higher Secondary School In-service Teachers towards the Traditionally Accepted Universal Human Value – Truth	353
5.78	The Percentile Norms for the Distribution of Attitude Scores of 141 Higher Secondary School In-service Teachers towards the Traditionally Accepted Universal Human Value – Beauty	354
5.79	The Percentile Norms for the Distribution of Attitude Scores of 141 Higher Secondary School In-service Teachers towards the Traditionally Accepted Universal Human Value – Goodness	354
5.80	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 357 In-service Teachers’ (with experience up to 10 years) Attitude Scores towards the Traditionally Accepted Universal Human Values -Truth, Beauty, Goodness (overall)	358
5.81	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 357 In-service Teachers’ (with experience up to 10 years) Attitude Scores towards the Traditionally Accepted Universal Human Value –Truth	359
5.82	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 357 In-service Teachers’ (with experience up to 10 years) Attitude Scores towards the Traditionally Accepted Universal Human Value - Beauty	360
5.83	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 357 In-service Teachers’ (with experience up to 10 years) Attitude Scores towards the Traditionally Accepted Universal Human Value - Goodness	361
5.84	The Percentile Norms for the Distribution of Attitude Scores of 357 In-service Teachers (with experience up to 10 years) towards the Traditionally Accepted Universal Human Values –Truth, Beauty, Goodness (overall)	362
5.85	The Percentile Norms for the Distribution of Attitude Scores of 357 In-service Teachers (with experience up to 10 years) towards the Traditionally Accepted Universal Human Value –Truth	363

5.86	The Percentile Norms for the Distribution of Attitude Scores of 357 In-service Teachers (with experience up to 10 years) towards the Traditionally Accepted Universal Human Value – Beauty	363
5.87	The Percentile Norms for the Distribution of Attitude Scores of 357 In-service Teachers (with experience up to 10 years) towards the Traditionally Accepted Universal Human Value – Goodness	364
5.88	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 158 In-service Teachers’(with experience 11-20 years) Attitude Scores towards the Traditionally Accepted Universal Human Values - Truth, Beauty, Goodness (overall)	365
5.89	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 158 In-service Teachers’(with experience 11-20 years) Attitude Scores towards the Traditionally Accepted Universal Human Value – Truth	366
5.90	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 158 In-service Teachers’(with experience 11-20 years) Attitude Scores towards the Traditionally Accepted Universal Human Value – Beauty	367
5.91	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 158 In-service Teachers’(with experience 11-20 years) Attitude Scores towards the Traditionally Accepted Universal Human Value - Goodness	368
5.92	The Percentile Norms for the Distribution of Attitude Scores of 158 In-service Teachers (with experience 11-20 years) towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	369
5.93	The Percentile Norms for the Distribution of Attitude Scores of 158 In-service Teachers (with experience 11-20 years) towards the Traditionally Accepted Universal Human Value – Truth	369
5.94	The Percentile Norms for the Distribution of Attitude Scores of 158 In-service Teachers (with experience 11-20 years) towards the Traditionally Accepted Universal Human Value – Beauty	370
5.95	The Percentile Norms for the Distribution of Attitude Scores of 158 In-service Teachers (with experience 11-20 years) towards the Traditionally Accepted Universal Human Value – Goodness	371

5.96	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 85 In-service Teachers' (with experience 21 years and above) Attitude Scores towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	371
5.97	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 85 In-service Teachers' (with experience 21 years and above) Attitude Scores towards the Traditionally Accepted Universal Human Value – Truth	372
5.98	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 85 In-service Teachers' (with experience 21 years and above) Attitude Scores towards the Traditionally Accepted Universal Human Value – Beauty	373
5.99	Mean, Median, Mode, Standard Deviation, Skewness, Kurtosis for the Distribution of 85 In-service Teachers' (with experience 21 years and above) Attitude Scores towards the Traditionally Accepted Universal Human Value – Goodness	375
5.100	The Percentile Norms for the Distribution of Attitude Scores of 85 In-service Teachers (with experience 21 years and above) towards the Traditionally Accepted Universal Human Values – Truth, Beauty, Goodness (overall)	376
5.101	The Percentile Norms for the Distribution of Attitude Scores of 85 In-service Teachers (with experience 21 years and above) towards the Traditionally Accepted Universal Human Value – Truth	376
5.102	The Percentile Norms for the Distribution of Attitude Scores of 85 In-service Teachers (with experience 21 years and above) towards the Traditionally Accepted Universal Human Value – Beauty	377
5.103	The Percentile Norms for the Distribution of Attitude Scores of 85 In-service Teachers (with experience 21 years and above) towards the Traditionally Accepted Universal Human Value – Goodness	377
5.104	Mean, Standard Deviation, t-value of the Attitude Scores of the Male and Female In-service Teachers towards the Traditionally Accepted Universal Human Value - Truth	382
5.105	Mean, Standard Deviation, t-value of the Attitude Scores of the Male and Female In-service Teachers towards the Traditionally Accepted Universal Human Value - Beauty	383
5.106	Mean, Standard Deviation, t-value of the Attitude Scores of the Male and Female In-service Teachers towards <i>Punctuality</i> , the Component of the Traditionally Accepted Universal Human Value - Beauty	384

5.107	Mean, Standard Deviation, t-value of the Attitude Scores of the Male and Female In-service Teachers towards <i>Regularity</i> , the Component of the Traditionally Accepted Universal Human Value – Beauty	384
5.108	Mean, Standard Deviation, t-value of the Attitude Scores of the Male and Female In-service Teachers towards <i>Cleanliness</i> , the Component of the Traditionally Accepted Universal Human Value – Beauty.	384
5.109	Mean, Standard Deviation, t-value of the Attitude Scores of the Male and Female In-service Teachers towards <i>Politeness</i> , the Component of the Traditionally Accepted Universal Human Value - Beauty	385
5.110	Mean, Standard Deviation, t-value of the Attitude Scores of the Male and Female In-service Teachers towards <i>Love</i> , the Component of the Traditionally Accepted Universal Human Value - Beauty	385
5.111	Mean, Standard Deviation, t-value of the Attitude Scores of the Male and Female In-service Teachers towards the Traditionally Accepted Universal Human Value – Goodness	386
5.112	Mean, Standard Deviation, t-value of the Attitude Scores of the Graduate and the Postgraduate In-service Teachers towards the Traditionally Accepted Universal Human Value - Truth	387
5.113	Mean, Standard Deviation, t-value of the Attitude Scores of the Graduate and the Postgraduate In-service Teachers towards the Traditionally Accepted Universal Human Value – Beauty	388
5.114	Mean, Standard Deviation, t-value of the Attitude Scores of the Graduate and the Postgraduate In-service Teachers towards the Traditionally Accepted Universal Human Value – Goodness	389
5.115	Summary of ANOVA of the Attitude of the In-service Teachers (Primary, Secondary, Higher Secondary) towards the Traditionally Accepted Universal Human Value - Truth	390
5.116	Summary of ANOVA of the Attitude of the In-service Teachers (Primary, Secondary, Higher Secondary) towards <i>Impartiality</i> -the component of the Traditionally Accepted Universal Human Value – Truth	391

5.117	Summary of ANOVA of the Attitude of the In-service Teachers (Primary, Secondary, Higher Secondary) towards <i>Responsibility</i> - the Component of the Traditionally Accepted Universal Human Value - Truth	391
5.118	Summary of ANOVA of the Attitude of the In-service Teachers (Primary, Secondary, Higher Secondary) towards <i>Integrity</i> - the Component of the Traditionally Accepted Universal Human Value – Truth	392
5.119	Summary of ANOVA of the Attitude of the In-service Teachers (Primary, Secondary, Higher Secondary) towards <i>Faith</i> - the Component of the Traditionally Accepted Universal Human Value – Truth	393
5.120	Summary of ANOVA of the Attitude of the In-service Teachers (Primary, Secondary, Higher Secondary) towards <i>Courage</i> - the Component of the Traditionally Accepted Universal Human Value - Truth	393
5.121	The Mean Differences, Standard Error and t value of the Attitude Scores of the Specific Pair of Groups of the Primary School In-service Teachers, Secondary School In-service Teachers and Higher Secondary School In-service Teachers - towards <i>Impartiality</i> the component of Traditionally Accepted Universal Human Value–Truth	395
5.122	The Mean Differences, Standard Error and t value of the Attitude Scores of the Specific Pair of Groups of the Primary School In-service Teachers, Secondary School In-service Teachers, Higher Secondary School In-service Teachers – towards <i>Responsibility</i> the Component of Traditionally Accepted Universal Human Value - Truth	396
5.123	The Mean Differences, Standard Error and t value of the Attitude Scores of the Specific Pair of Groups of the Primary School In-service Teachers, Secondary School In-service Teachers, Higher Secondary School In-service Teachers – towards <i>Integrity</i> the Component of the Traditionally Accepted Universal Human Value – Truth	397
5.124	Summary of ANOVA of the Attitude of the In-service Teachers (Primary, Secondary, Higher Secondary) towards the Traditionally Accepted Universal Human Value - Beauty	399
5.125	Summary of ANOVA of the Attitude of the In-service Teachers (Primary, Secondary, Higher Secondary) towards the Traditionally Accepted Universal Human Value - Goodness	400

5.126	Summary of ANOVA of the Attitude of the In-service Teachers (with experience up to 10 years, 11-20 years, 21 years and above) towards the Traditionally Accepted Universal Human Value – Truth	401
5.127	Summary of ANOVA of the Attitude of the In-service Teachers (with experience up to 10 years, 11-20 years, 21 years and above) towards the Traditionally Accepted Universal Human Value - Beauty	402
5.128	Summary of ANOVA of the Attitude of the In-service Teachers (with experience up to 10 years, 11-20 years, 21 years and above) towards the Traditionally Accepted Universal Human Value - Goodness	403
