

Presentations in Conferences

- "Mitochondrial respiratory chain dysfunction in picrotoxin-induced epileptic rat brain" 7th Biennial meeting of Asia Pacific Society of Neuroscience, APSN, 2006 (abstract accepted)
- "*Functional alterations in subcellular membrane in rat brain following picrotoxin-induced convulsions*" In: National symposium on "*Brain Genomics*" in December 2002, organized by Society for Neurochemistry, India (SNCI).
- "*Treatment with Carbamazepine Adversely Affects the Oxidative Energy Metabolism in Rat Brain Mitochondria*" In: International Symposium on "Advances in research on Neurodegenerative Diseases" Dec 2005. Organized by Int. Soc. for Neurochemistry (ISN), Univ. of Madras and SNCI (**Best Poster Award**)
- "Intracellular membrane alterations in epileptic rat brain" In: 6th IBRO Asia-Pacific Neuroscience School, Aug 2005, Organized by IBRO and NCBS, Bangalore.
- *Oral Presentation*: "Structural and functional alteration in mitochondrial membrane in picrotoxin-induced epileptic rat brain" In: International Neuroscience Conference, May 2004, organized by Indian Academy of Neurosciences (IAN) and SNCI.
