

ACKNOWLEDGEMENT

At the time when I am thinking the last pages of my thesis, I would like to thank Sir, Prof. S.S.Katyare. It is his constant encouragement and enormous help in my subject that had put me at this stage. I will always be thankful to him for guiding me in learning methods, standardization, subject matters and planning. I positively except his criticism about my mistakes and also want to make sure not to make such mistakes in future. Apart from science; his personality has taught me many things.

I would like to thank all the Heads of the Department of Biochemistry during my Ph.D. work for providing me the facilities of the Department. My experiences in the Department are unforgettable.

I would like to extend my special thanks to my colleague and friend Subhash who has always helped me in my research work and in completion of my Ph.D. thesis. I have sweet memories associated with his family, his better half, Arna.

I would like to thank my lab-mates Samir Patel, Hiren Modi and Minal Patel. They have not only helped me in my lab work but in so many other ways. I am also thankful to Munjal, he carried out project with me and the experience with him is unforgettable. I would like to thank the dissertation students Ali, Bhavesh Patel and Neeraj Agarwal with whom I enjoyed the project work.

I am grateful to my senior Dr. Kunjan Dave. In the beginning of my Ph.D. he had helped me a lot imparting right kind of training to me. I am also thankful to Rakesh Patel, Neerav Dave and Rajeev Vaidya.

I am thankful to my friends Keyur, Siddharth, Vikas, Prashant, Shajil, Gopit, Vihas, Anil, Jyoti, Laxmi, Vijendra, Divya and Aditi. Also thanks to Chirayu and Hemendra for their help. It's because of them, that I was able to stay away from my home for such long time. I hope the same atmosphere persists in the Department.

I wish to thank to Sri. Navdurga High School Educational Trust for providing me scholarship for my initial period of Ph.D. I would like to thank to Mr. Sanatbhai Pandya and their colleagues Late Sri. Ashokbhai Patel from Amar construction Pvt. Ltd and Sri. Vinubhai Shah from National builders, Baroda to give financial support in last two years of my Ph.D.

I would like to thank to animal house incharge Sureshbhai Nate and Rameshbhai for providing me developmental rats in as per requirement and in proper time.

I would like to thank my family members, relatives who have given me constant support, guidance.

Finally I would like to thank all my well wishers and friends who have given direct or indirect encouragement and support.

Jignesh D. Pandya.
