

ACKNOWLEDGMENT

I express my sincere gratitude to Prof. S. S. Katyare for his valuable guidance, discussions and encouragement throughout the course of the work.

I take this opportunity to thank Heads, Department of Biochemistry, for providing the infrastructure and instrumental facilities for the research work.

I wish to thank Doctors/ Medical officers and volunteers for their help and cooperation in collecting the human blood samples.

I wish to thank my family members, relatives, friends and well wishers for the support and encouragement that they have given.

The Research Fellowship from The Lady Tata Memorial Trust, Mumbai is gratefully acknowledged.
