CERTIFICATE

The thesis entitled " Correlation of ligand nature and catalytic activity of metal complexes" incorporates the results of original research work carried out by **Mr. Prakash B Samnani** under my supervision.

P K Bhattacharya

Research Guide

A C Shah

HEAD
Department of Chemistry

I take this opportunity to express my heart felt thanks to Prof P K Bhattacharya, who was not just my research guide but also a great teacher. His stimulative instructions and constructive criticism taught me the analytical approach to solving a problem. His inspiring guidance and constant encouragement steered me through the research work despite several difficulties. Words fail me in expressing my indebtedness to him.

A handwritten signature in black ink, appearing to read 'Prakash', with a stylized flourish above the 'P'.
