

## ACKNOWLEDGMENT

I am thankful to **Prof A C Shah**, Head, Department of Chemistry, M S University of Baroda, for providing me laboratory facilities for this study.

I am grateful to the management of the **Indian Petrochemical Corporation Limited**, Vadodara, for extending the research and library facilities available in the research centre. I take this opportunity to express my sincere thanks to **Dr S Satish** and **Dr P A Ganeshpure** for their help and guidance during the period I spent at the research centre, IPCL. I am also grateful to **Dr M Ravindranathan**, **Dr S M Pillai** and **Dr V J Koshy** with whom I was associated during part of this work. I acknowledge technical help extended to me by the R & D scientists and staff during the course of this work at the research centre.

I am greatly indebted to **Prof P Natarajan**, Director, CSMCRI, Bhavnagar, for providing EPR and Cyclic Voltammetric facilities at the Institute. Thanks are also due to **Dr S Srinivas** and **Dr Ramchandraiah**, Scientists, CSMCRI, for their help in the instrumental analyses.

My sincere thanks are also due to **Dr S S Madhav Rao** for timely elemental analyses.

I wish to record my special thanks to **Akash** and **Ritu** who understood my problems and always stood by me. I also extend my thanks to my other friends and colleagues, especially, **Gireesh**, **Piyush** and **Robin**, who cooperated with, and helped me, during the research work.

I gratefully acknowledge the financial assistance by **CSIR**, New Delhi, for part of the research work.

Finally, I must recognize and acknowledge the patience and understanding of my family members, especially, my **Parents**.

In completing a work of this nature, there are always many individuals and institutions, who make contributions, both large and small. It would be very difficult to give credit without overlooking one or more of them. I sincerely regret any omission of such kind.
