With immense joy, I express my gratitude to all the wonderful individuals without whom the successful completion of my thesis would not have been possible. It is your support and encouragement over the years that made this thesis possible.

I was fortunate and privileged to have a mentor like Prof. Rajesh Singh. His unflinching support, advice, encouragement and constructive criticism have contributed to shaping the foundation of my research career. His guidance has improved me personally and professionally over the years. His commitment to science, vision, and optimism has cultivated an aspiration in me to venture into scientific exploration. I will forever be indebted for your guidance and will cherish your acquaintance. Sir, I thank you for everything.

I express my sincere gratitude to Prof. Pushpa Robin for her support, kindness and selflessly helping me in getting registered to the Ph.D. program. I am extremely thankful to Prof. Vihav Vasu and Prof. Sunil Singh for invaluable career advice, encouragement, and support. I sincerely thank my doctoral committee members: Prof. Rasheedunnisa Begum and Prof. Sarita Gupta. I have always benefitted from their nurturing attitude, constructive criticism, suggestions and motivation. I extend my sincere thanks to Prof C. Ratna Prabha, Prof. G. Naresh Kumar, Dr. Laxmi Nampoorthi, Dr. Ravi Vijayvargia, Dr. Sanjeev Upadhyay, Dr. S. R. Acharya, Dr. Devesh Suthar, Dr. Jayshree Phoenerkar, Dr. Rochika Singh and Dr. Chandramani Pathak for always helping and giving valuable inputs during my Ph.D. tenure. I am proud to be a part of Department of Biochemistry and sincerely thank the department's administrative support during my Ph.D. I also thank DBT-MSUB-ILSPARE for providing the instrumentation facility.

I express my heartfelt thanks to wonderful seniors Dr. Dhanendra Tomar, Dr. Arun Kumar Singh, Dr. Lakshmi Sripada, Dr. Paresh Prajapati and Dr. Khyati Bhatelia for their insightful guidance and wise advice but also your contribution in my personal and professional growth. It was a privilege to initiate my Ph.D. work under the guidance of Dr. Dhanendra Tomar who not only provided intensive training but always encouraged

to learn and develop. I am extremely thankful for his mentorship, continuous career support and friendship. A sincere thank all the past and present members of RS lab both at IIAR and MSU, for all the scientific discussions, parties and innovative experiences. Their acquaintance has helped me grow personally and professionally.

Dr. Kritarth Singh has always been more than a friend and a colleague. Not only have I learned a great deal about science but also about life, from him. His determination, character, and strength have helped me invigorate during the worst days of my Ph.D. tenure. Thank you for being the friend I needed. A special thanks goes to Anjali Shinde for tolerating me and helping me develop equanimity. Your presence has made the lab a more joyful place. I am very thankful to the current lab members, friends and colleagues at RS lab- Jyoti, Dhruv, Piyush, Fatema, Meenal, Mr. Hitesh Vasiyani, Shatakshi, Shanikumar and the M.Sc. students for all their help, fun, support and delicious outings.

I express my sincere gratitude to my teachers in Manipal Dr. Moka Rajasekhar, Dr. TS Murali, Dr. Majunath B Joshi and Dr. TG Vasudevan for motivation and support. I am also very thankful for my friends from Manipal Dr. Elroy Joe Pereira, Akshay Nayak, Vishnu Chandran and Dhanur Iyer for the wonderful times we had together. I am also thankful to my friends Dr. Ajay Kumar, Dr. Priyabrata Mohanty, Dr. Vinod K, Dr. Dhaval Patel, Dr. Kunal Shah, Dr. Abhijeet Pandey, Manoj (roomie), Ravinder, the Purohit family and all the research scholars at MSU.

My sister Monika has always been a silent support, I am eternally grateful for her love and care. My parents stood with me whenever I needed, they gave me freedom and confidence and supported beyond their capacity. They were stronger than me when times were adverse; they were confident in me when I doubted myself. I can thank them for everything but still I will forever be indebted. Last but not the least, I thank almighty God for being a hidden faith and force to accomplish my goals.
