BARODA-2.

Dear Madam/Sir,

Because of your expertise on law and interest in developing curriculum, we have chosen you as one of the experts to validate the content on the subject "Women and Law" which has been developed as a part of Ph.D. Study.

This study consists of mainly -

1. Developing a course on "Women and Law" for Ist year Home Science students.
2. Developing a video film on the selected units of the course.
3. Teaching selected units of the course "Women and Law" through video film and measuring its effectiveness.

You are requested to check content on Law, its validity, accuracy and appropriateness of the language for First Year Home Science students.

I will be very obliged to you for doing the same.

Thanking you,

Yours Sincerely,

(RAMESHWARI PANDYA)
