1	I like the CAI package presented through the computer.					
2	The way the content presented was interesting for me.					
3	The introduction for each topic was appropriate.					
4	I would prefer to have other topics presented through this type of CAI package.					
5	The explanation given for each topic needs more clarity and for better understanding.					
6	The active participation of students in learning helped to understand clearly the application of each topic.					
7	The language used in the CAI package was easy.					
8	The colour of the back ground of slides for each different topic needs to be more attractive.					
9	The various slides shown for giving examples on each topic were proper.					
10	The picture and the text presented for each slide is not totally appropriate.					
11	Some pictures were more confusing in learning different topics.					
12	I would like to have some more time in learning through this type of CAI packages.					
13	The coloured and animated pictures helped us to develop our interest in learning grammar.					
14	Each topic became easier while learning through CAI package.					
15	Combination of text and graphics made our learning interesting for each topic					
16	I would like to learn other topics of English grammar also with this kind of CAI.					
17	Content presented in CAI package was not arranged properly.					
18	Our English teacher should also use such CAI packages for teaching English grammar.					

19	Teachers of others subjects should also use such CAI packages while teaching.					
20	We can now apply the learnt knowledge in different life like situations.					
21	The speech related to sentences would have been more effective in this CAI.					
22	This kind of CAI can help us to learn ourselves.
