

ACKNOWLEDGEMENTS

I wish to express my sincere thanks to Dr. B.V. Kamath, Reader, Department of Chemistry, M.S. University of Baroda for guidance and encouragement throughout the research work.

I am also grateful to Prof. A.C. Shah, Head, Department of Chemistry for providing necessary facilities.

My special thanks are due to Prof. Y.K. Agrawal, former Head, Department of Pharmacy, M.S. University of Baroda for motivating me to do research and providing facilities in the early stages of this work. I am grateful to Prof. P.S.R. Murthy, Head Department of Pharmacy, M.S. University of Baroda for providing instrumental facilities in carrying out part of this work.

Deep gratitude must be expressed to the management, M.J. Institute of Research, Baroda and specially Dr. V.P. Arya, Ex. Director and Dr. A.V. Vyas for providing me an opportunity and facilities to carry out the research work.

I wish to thank all my friends and colleagues for their co-operation and encouragement.

A handwritten signature in black ink, appearing to be 'S. V. V. V.', with a long horizontal stroke extending to the right.
