

## C O N T E N T S

	<b>Page</b>
 <b><u>PART I : BACKGROUND</u></b>  	
✓ <b><u>Chapter 1 : INTRODUCTION</u></b>	1 ✓
Kutch in general	2
Scope of the present investigation	8
✓ <b><u>Chapter 2 : PREVIOUS WORK</u></b>	13
<b><u>Chapter 3 : REGIONAL GEOLOGICAL SETTING</u></b>	21
✓ Geology of Kutch	22
✓ Geology of Wagad	29
 <b><u>PART II : STRATIGRAPHY, DISPERSAL AND CURRENT SYSTEM</u></b>  	
✓ <b><u>Chapter 4 : DESCRIPTIVE STRATIGRAPHY</u></b>	34
General	35
Classification and definition of stratigraphic units	36
Stratigraphic sub-provinces	42
Northern Range Sub-province	44
Kanthket Range Sub-province	59
Southern Range Sub-province	71
<b><u>Chapter 5 : STRATIGRAPHIC ANALYSIS</u></b>	89
Selection of stratigraphic units	90
Preparation of stratigraphic maps	92
The Washtawa Formation	94
The Kanthket Formation	99
The Gandau Formation	117 ✓

Stratigraphic cross-sections	119
Fence diagram	129
<b><u>Chapter 6 : PALEOCURRENT ANALYSIS</u></b>	<b>131</b>
Nature and distribution of sedimentary structures	135
Data collection	147
Data processing	151
Reliability of structures	154
Preparation of paleocurrent maps	157
Vertical variability of structures	159
Regional variation in paleocurrent direction	162
<b><u>Chapter 7 : SEDIMENTATION</u></b>	<b>175</b>
Sampling procedure and sample processing	176
Calculation of statistical parameters of grain size	178
Presentation of data	180
Areal variation of grain size	181
Vertical variation of grain size	187
Grain size distribution pattern of individual samples	199
Scatter diagrams	208
Sorting	210
<b><u>PART III : STRUCTURE</u></b>	
<b><u>Chapter 8 : REGIONAL TECTONIC FRAMEWORK</u></b>	<b>213</b>
Tectonic position of the Kutch basin	213
Basement lineament	215
Significance of various fold and fault structures	217

<b><u>Chapter 9 : STRUCTURAL ANALYSIS</u></b>	<b>221</b>
South Wagad flexure zone	224
Kanthkot flexure zone	229
Northern Range structures	232
Faults	235
Intrusive bodies	241
Discussion	243

**PART IV : CONCLUSION**

<b><u>Chapter 10 : ENVIRONMENTS OF DEPOSITION, BASIN ANALYSIS AND SEDIMENTARY MODEL</u></b>	<b>249</b>
---	------------

The Washtawa Formation	253
The Lower Kanthkot Formation ✓	265
The Upper Kanthkot Formation ✓	280
The Gandau Formation ✓	288
Environmental sequence and tectonic significance	293

<b><u>Chapter 11 : SUMMARY AND CONCLUSIONS</u></b>	<b>296 ✓</b>
--	--------------

<b>ACKNOWLEDGEMENTS</b>	<b>303 ✓</b>
-------------------------	--------------

<b>REFERENCES</b>	<b>304</b>
