

## ACKNOWLEDGEMENTS

*This thesis has been kept on track and been seen through to completion with the support and encouragement of numerous people including my well wishers, my friends, colleagues and various institutions.*

*At this moment of accomplishment, first of all I pay homage to my father late. Shri. Jagdish Singh and all the ancestors who paved the path before me upon whose shoulder I stand.*

*His unflinching courage and conviction will always inspire me, and I hope to continue to work with his noble thoughts. I can only say a proper thanks to him through my future work. It is to him that I dedicate this work.*

*I would like to express my sincere gratitude to my Guide and Guru Prof. Neeta Pandya for the continuous support during study and related research, for her patience, motivation, and immense knowledge. Her inspiring guidance, constructive criticism and unstinted cooperation have helped me not only during my research and writing of this thesis, but always with me during the happy and hard moments in my life. I could not have imagined having a better advisor and mentor for my study.*

*I would also like to thank Prof. (Mrs.) Sandhya K Garge (Head, Dept. of Botany) and Prof. Arun arya (Ex.Head. Dept. of Botany) for providing various facilities during the course of study. I am also thankful to Prof.N.S.R. Krishnayya, Prof.Susy Albert and all the teaching and non teaching staff from the department for their support throughout the study.*

*I take this opportunity to sincerely acknowledge my company M/s. Ipca Laboratories Limited, Ratlam, for providing support and access to the laboratory and research facilities. Without their precious support it would not be possible to conduct this research which buttressed me to perform my work comfortably*

*I am also extremely indebted to Dr.D.C.Jain GM. M/s Ipca Labs Ltd. I am very much thankful to him for his insightful comments and encouragement, but also for the hard question which incited me to widen my research from various perspectives.*

*My special thanks are due to, Prof.S.J.Bedi, Prof.P.S.Dubey and Prof.Yogesh Jaisrai for building up my fundamentals in Environment Ecology and agriculture. I owe my gratitude to Prof. Jyotsna Kishore Galgale, Prof.Dolly Kumar and Mr.Rakesh Pandya for encouragement and constant support.*

*Most of the results described in this thesis would not have been obtained without a close collaboration with few laboratories. I owe a great deal of appreciation and gratitude to Dr.Sanjay Kumar, Dr.V.K.S.Tomar, Dr.RamSuresh and Mr.J.P.Singh of CSIR-CIMAP Lucknow and Pantnagar , for their valuable advice, constructive criticism and extensive discussions around my work. I am also thankful to Dr. S.N. Mishra, Ex Head, Department of Pharmacy, Faculty of*

*Technology, The M.S. University of Baroda for allowing me to use the departmental facilities for HPTLC studies. Thanks are also due to Dr. Mohan for his help.*

*I would also like to extend huge, warm thanks to my colleagues Mr.Ashish Bharalliya, Mr. Himanshu Mishra, Dr.Maujiram Tayagi, Mr.Ashween Jhala, Mr.Mehraban Singh, Kishan, Avinash, Fatehsinh, Jairaj and my field staff for all the timely help rendered by them during my entire research work in field or in laboratory.*

*My warm appreciation for my ecomates- Binal, Krishna, Dhaval, Nirav, Vallabhi, Shrena, Manjit, Divya, Arpita, Nikita, Rashmi, Ameer and Dhara for providing a stimulating fun filled environment and untried help during my research tenure.*

*A journey is easier when you travel together. Interdependence is certainly more valuable than independence, its pleasure to mention my mentors and friends, Dr. Shobha Kamath, Dr.Jagdish Kamath Dr.Pooja Idnani, Arch.Dhanashri Jadhav, Planner Ms. Tanya Lalwani, Mr.Amitabh Nagori, Arch.Shruti Brave, Ms.Zaiba Hussain and Arch.Geetanjali Rao -thank you doesn't seem sufficient but it is said with appreciation and respect to all of them for their love, support, encouragement and care.*

*Words are short to express my deep sense of gratitude towards my friends and colleagues, Dr.Bhvana Sharma and Ms.Shivangi Purohit, who willingly and selflessly helped me during the inevitable ups and downs of conducting my research endeavor. I doubt that I will ever be able to convey my appreciation fully, but I owe them my eternal gratitude.*

*Last but not the least; I would like to thank my mother Mrs. Kamlesh Singh and my entire family: my brothers and sisters for supporting me spiritually throughout writing this thesis and my life in general.*

*At the end of my thesis I would like to thank all those people who made this thesis possible and an unforgettable experience for me. I owe everything to them. Besides this, several people including my farmers have knowingly and unknowingly helped me in the successful completion of this study.*

*Alka Dangash*
