

ACKNOWLEDGEMENTS

I am very much thankful to the financial assistance provided by Department of Science and Technology (DST), New Delhi through "Science of Shallow Sub-surface (SSS)" programme during the entire course of my study.

With humbleness, I express my sincere gratitude to my supervisor Dr. N.S.R.Krishnayya for selected me as a Junior Research Fellow (JRF) in his project, for helping me to understand the problem and for his valuable guidance during the entire course of my study.

My indebted thanks to Prof. Arun Arya, Head of the Department of Botany for providing facilities during the course of my study. Also I thank Prof. Daniel for his valuable guidance during the course of my study.

My sincere thanks to Prof. L.S.Chamyal, Dr.Nilesh Bhatt, Dr.Maurya Dr.Alpa Sridhar and Dr. Bindhu Bhatt for their encouragement and help throughout my study.

I am thankful to Dr.Neeta pandya, Dr.Susy Albert, Dr. Punita, Dr.Nagar, Dr. Nagesh, Dr.Aruna Joshi, Dr.Kishore Rajput, for their support during the course of my study.

I am thankful to my friends S.Revathy Lakshmi, C.Pandiarajan, R.Parthiban, Arun Kumar, Karuppa swamy, Muthu Kumar, Murali, Ramesh, Sakesh, Sandeep and Amzad for their support and commendation throughout my study.

My sincere thanks to my department friends Praveen Kumar, Gaurav Sanghvi, Koyani Rina and her brother Chetan, Vidhya, Renu didi, Sally kutty didi, Archna, Vijay for their encouragement through out my study.

Also my sincere gratitude to my hostel friends Dr.Mayur Patel, Dr.Nithin bhai, KB, Thomson, Prabeen, Mohan, Hemanth, Harish bhai, Mayur, Vinoth, Chetan, Nithesh, Vishal, Vikas, Subbu, Nanthan, Murli, Palash, Gangadher, Naveen, Aditya, Sagar, Pranav pandya for their incessant help during the course of my study.

I thank my lab mates Dhaval Vyas, Nirav Mehta, Vallabhi, Aparna, Shrena, and Alka didi, for making the lab tolerable and even at times an enjoyable place to come each day.

I gratefully acknowledge Dr.R.Ramesh, Dr. M.G.Yadava and Mr. Amzad for their help in carbon isotopes analysis.

My sincere gratitude to Mr. Husmuk bhai, Mr.Sharmaji and Mr.Praksh bhai for their help and support.

Also I thankful to the non-teaching staff members of the Department of Botany for their sensible help and support.

I thank Mr.Silage bhai and his workers for taking care of my soil samples in Botanical garden and helped me to shift my samples from botanical garden to ecology lab.

I thankful to Mr.Prathmej bhai, Mr.Sweeto bhai and their family members for making all my field visits to shoolpaneshwar sanctuary are memorable.

I am indebted to the help given by Jadhav bhai, Mathur bhai, Ramesh bhai, Vasanth bhai and Ratwa bhai for their assistance during the field trip and collection of soil samples.

I acknowledge Gujarat forest department officials for providing a necessary permission to enter into the shoolpaneshwar sanctuary. Especially I thank Mr.Tadvi, RFO, of Rajpipla forest division, Gujarat Forest Department, for his interest in my study and also for his help and support.

I gratefully acknowledge the ethnic group in the shoolpaneshwar forests for their unremitting help during soil collection.

I would not have been completed my thesis on time without the help and splendid support of Mr. M. Rajendran, Assistant Professor, Delhi University, Mr. Manivananan , Rajesh Anna and Avtar singh.

I am deeply indebted to the encouragement given by my parents Mr & Mrs Jesudoss, during the course of my study.

Finally I thank those who have touched my life by prayers, blessings and wishes during the course of my study.

J.DINAKARAN
