

LIST OF PUBLICATIONS

Research Papers Published

1. **Ghorecha, V.**, Zheng, Y., Liu, L., Sunkar, R. and Krishnayya, N.S.R., 2017. MicroRNA dynamics in a wild and cultivated species of Convolvulaceae exposed to drought stress. *Physiology and Molecular Biology of Plants*, 23(2), 291-300.
2. **Ghorecha, V.**, Patel, K., Ingle, S., Sunkar, R. and Krishnayya, N.S.R., 2014. Analysis of biochemical variations and microRNA expression in wild (*Ipomoea campanulata*) and cultivated (*Jacquemontia pentantha*) species exposed to in vivo water stress. *Physiology and Molecular Biology of Plants*, 20(1), 57-67.
3. **Ghorecha, V.**, Krishnayya, N.S.R. and Sunkar, R., 2013. Impact of climate change on microRNA expression in plants. *Climate change and plant abiotic stress tolerance*, 507-520.
