

## ACKNOWLEDGEMENTS

I deem it a matter of great pleasure to express my profound indebtedness to Prof. S.D. Sabnis, M.Sc., Ph.D., Dip.Museo, Pro-Vice-Chancellor, The M.S. University of Baroda for introducing me to the subject and for his invaluable guidance and constant help during the course of these investigations.

I extend my heartfelt thanks to Dr. M. Daniel, Reader in Botany for all his help, suggestions and kind words of encouragement extended to me during the period of this research project. My thanks are also due to Prof. R.P. Bhatt for his keen interest on my researches and for useful suggestions.

The help rendered by Mr. Baby Abraham; Dr. C. Ramachandran, Coimbatore; Dr. Sasikumar, Museum Botanic Garden, Trivandrum; Dr. T.S. Nair, TBGRI, Palode; Dr. P. Daniel, BSI, Coimbatore; Mr. Ishmail, Botanical Garden, Ootacamund; Dr. P.Y. Bhogaonkar, Amravati and Mr. Vinay Rasle, in procuring the plant materials, is gratefully acknowledged.

I am thankful to all my colleagues in the phytochemistry laboratory for giving me full co-operation and necessary help. The financial assistance rendered by University Grants Commission, Delhi, to carry out the present work also is acknowledged here.

Finally I thank Mrs. and Mr. Titus for the excellent manner in which the thesis is typed.
