

ACKNOWLEDGEMENT

Learning and gathering knowledge are one of the best things in one's life. With this vision, I started pursuing Ph.D. Foremost, I wish to express my heartfelt devotion, all praises, and thanks to the creator of this universe "Almighty" for his graceful blessings at every stage without which nothing could have been possible.

I find it a matter of pride and privilege to express my sincerest gratitude and indebtedness to my dear teacher, Dr. Sarjoo Patel, for her scholarly guidance, constructive suggestions, continuous inspiration, moral support, and counseling. She has stood truly like a mother figure by extending continuous encouragement and motivation throughout the journey. It is too true to say without her assistance it would have been impossible to achieve my long-cherished dream.

I am highly indebted and would like to thank million, my fellow mate, and my near and dear friend Ms. Khyati Trivedi, for constantly extending her help, support, and motivation for taking out her precious time for me, from her busy schedule. Without her selfless dedication to my work, it would have been impossible for me to meet the deadlines for progress reports, and submissions.

Words are lacking to express my profound thanks to my dear parents Mr. Uday K. Gupte and Mrs. Ranjana U. Gupte, who have always sacrificed their present in the dream of giving a better future to their children, they have been a source of constant inspiration, motivation, and encouragement to achieve higher heights in life. Their prayers have always played a vital role in all the accomplishments of my life. I want to extend my humble respect and gratitude to my dearest both the "Abba-Aaji" for always encouraging me to pursue my studies and for teaching me the value of education.

I am grateful to my respected mother-in-law; Ms. Badrunnisha Desai and my father-in-law, Mr. Zinabhai Desai, for their support, blessings, and wholehearted help. Their recurrent adjustments, and encouragement especially during stressful periods made me believe that family members are the most important people in one's life, without their support it is impossible to succeed in any phase of life. They have stood like a pillar and source of inspiration during the need of time.

I am thankful to my sister Ms. Neha Deshmukh and my brother Mr. Harsh Gupte for their love and affection extended by them and for providing me with the moral support needed to work on my long-cherished dream. I would also like to thank my brother-in-law; Mr. Sahil Desai and Mr. Jabir Desai for their constant help and guidance whenever needed, and for taking out time of their busy schedule whenever needed. I cannot miss thanking my dear sister-in-law, Ms. Alisha Desai, who has always been kind to share my workload along with taking care of my dear daughter, to provide me with enough time to dedicate to my thesis.

I feel short of words to express my thanks, love, and affection to my dear husband Mr. Chirag Desai for showing understanding during my stressful and tiring period. Without his patience, appreciable cooperation, sacrifice, and moral support this work would not have been completed. He has been a source of inspiration as well as a problem solver for me at every stage with enthusiasm and perseverance and made me believe that I can do it.

A special and very exclusive thanks to my cute little angel Neeya, who has always backed me and helped me to refresh myself from my busy routine. Her love, affection, and innocence make me speechless and helps me overcome my stress. Her kindness has no boundaries, she has acted as a source of inspiration in accomplishing my long-cherished dream. Her fast pace of growth has made me realize that time does not wait for us, we need to chase it and achieve what we wish to. I would also like to thank my nephew Ali Akbar, Ali Raza, Mokshada, and Dhyanis for their innocent talks and sweet behavior helped me cheer myself up during the tense situation.

I would like to thank, all the teaching and non-teaching staff of the Department, Faculty, and University Head Office, for extending their timely help, as and when needed. I express my heartfelt thanks to my friend, Fatima Dahodwala, for extending help and taking time out from her busy schedule to communicate with me despite the different time zone. I appreciate her efforts in my study and would like to thank her for providing invaluable suggestions for the study. I would also like to thank Smita and Vashima didi, for their moral support and for extending help as and when needed.

I extend my most sincere thanks to all the respondents who cooperated with their open responses and correct information.

Finally, I would like to acknowledge gratefully all my relatives, well-wishers, and friends for their direct or indirect help and blessing which resulted in the successful completion of this thesis.
