

# ACKNOWLEDGMENT

A Journey is easier when you travel together. Interdependence is certainly more valuable than independence. The work on this thesis has been an inspiring, often exciting, sometimes challenging, but always interesting experience. It has been made possible by many other people, who have supported me. It is pleasant aspect that I have now the opportunity to express my gratitude for all of them.

I would like to express my sincere thanks to '**GOD**', for the mercy and for allowing me to take a step ahead in my academic career. No words could adequately express my feelings and I shall ever remain thankful and indebted to the person who remained associated with me during the journey of my Ph.D. I could have never done this without the belief in you, The Almighty.

I would like to offer my sincere gratitude and deepest appreciation to my respectable and honourable guide **Dr. Rakesh K. Sharma** for his constant guidance and encouragement. There are no proper words to convey my deep gratitude and respect for my research advisor, he has inspired me to become an independent researcher and has helped me to realize the power of critical reasoning. I will always be grateful to him for the love, care, and concern he showered on me throughout my Ph.D. I would also like to express my sincere gratitude to **Mrs. Sonali Sharma, Khushi Sharma and Rudra Sharma**.

It takes an immense pleasure to mention **Prof. R. C. Tandel**, Former Head of Applied Chemistry Department, for his support, scientific advice, knowledge and many insightful discussions and suggestions.

I am also very grateful to **The Head** of Applied Chemistry Department, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda for giving me an opportunity to work in the Department and making all the facilities available for my research work.

Financial support in form of fellowship by the **SHODH-Scheme of Developing High quality research**, Education Department, Gujarat, India is gratefully acknowledged.

I would like to thank **Dr. V.K. Aswal** and **Dr. Debes Ray**, Eminent Scientist, Solid State Physics Division, Bhabha Atomic Research centre, Mumbai, for their valuable collaboration in my research work.

I would like to extend my thanks to our group's collaborators **Dr. Chandramani Pathak** (CVM University, Anand), **Dr. Bhavin A. Vyas** (Uka Tarsadiya University), and **Dr. Anju Kunjadiya** (Sardar Patel University, Anand) for helping me in various biological investigations during the work. I am thankful to **Dr. Arun Patel** (Department of Chemistry, The Maharaja Sayajirao University of Baroda, Vadodara) for helping in the NMR spectral analysis.

My very special and heartfelt thanks goes to my dear best friend **Mr. Kaushal Chaudhari** and **Mr. Ajay Patel**, as without their inspiration and support it was just impossible for me to even think about this work to be completed, and for their help during my research work.

I am obliged to **Mr. Brijesh Patel**, who is always ready with an answer to why my experiment did not work or what I should do to make it possible. Discussions over coffee with you will always remain special to me. I will be forever grateful to him for his help.

Special thanks, to my senior **Dr. Sofiya Shaikh**, who with her warmth, care and concern made my research journey easy and productive. I may not be able to express my words for her time to time fruitful discussions and support during my Ph.D. work. I also thank to my juniors **Mr. Saurav Patel** and **Mr. Vikas Ganvit** for the days we were working together.

I extend my thanks to **Dr. Nimesh J. Mali** (Department of Chemistry, B.K.M Science College, Valsad), who inspired me a lot for carrying out my research and gave me the path in Chemistry.

I am deeply grateful to my research colleagues **Mrs. Bhavita Joshi**, **Ms. Urvi Lad**, **Mr. Srujal Sonera** and **Ms. Darshna Hirapara** for their help, fruitful discussion, and support during my Ph.D. work.

I would also like to extend my thanks to my hostel friends, **Dr. Irfan Shaikh**, **Mr. Meet Thakar**, **Mr. Vishwajit Chavda**, **Mr. Pravin Patil**, **Mr. Jitendra Padhiyar**, **Mr. Prakash Gadriya**, **Mr. Vihubha Darbar** and **Mr. Palkesh Chauhan**, **Dr. Dikin Patel** for making my hostel life memorable and for their support during my stay in Vadodara.

I would also like to thank my friends **Ms. Poonam Bhagriya**, **Ms. Nidhi Nagariya**, **Ms. Helly Shah**, **Mr. Afridi Shaikh** and **Ms. Aparna Golani** for their kind support.

All professors and research colleagues of applied chemistry department are heartily acknowledged for their positive and negative criticisms which channelized my way

throughout the work. I am also thankful to non-teaching staff, Applied Chemistry Department for their kind support.

I am also thankful to **Samras Hostel (Room No. 904)** Government of Gujarat for providing me free hostel and food facilities during my research time.

I am grateful for the wonderful souls who have supported me and accepted me as I am **Deep Patel, Jay patel, Harsh Patel, Malav Patel, Binty Patel, Urvashi Tandel and Digna Patel**. I would also like to express my thanks to my M.Sc friends **Axay, Savan, Jigar, Ankit, Shaishav and Dr. Harvi**.

I warmly thank and appreciate my **Mother Mrs. Rashmikaben Shaileshbhai Patel** for her support in all aspects of my life. Words cannot express how grateful I am to my mom for all of the sacrifices that they have made on my behalf. Your prayers for me are what have sustained me thus far.

Biggest thanks to my maternal grandmother **Mrs. Nirmlaben Rameshbhai Patel** for always praying for my better career and future. I am grateful for my family whose constant love and support has made this journey possible. Thank you, Uncle (**Mr. Umeshbhai Patel**)-Aunty (**Mrs. Kinnari Patel**), **Unnati** and **Vedi** for your love and care. The sacrifices you all have made for me is irreplaceable. I am also grateful to my brothers (**Mr. Gaurang, Mr. Ujval, Mr. Viral, Mr. Jatin, Mr. Jignesh, Mr. Ansh and Mr. Riyan**), Sister-in-law (**Mrs. Surbhi Patel**) and friends (**Rocking boys of Jujwa**) for their constant encouragement and their words “Our Village’s First Doctor” support me in completion of this thesis.

Even though my father **Late Shaileshbhai Chhotubhai Patel** is no more, his values and teachings are still there with us. This thesis wouldn’t have been possible without his blessings from the heaven. My brother **Late Bhargav Patel** is not with me, but his memories have been a constant source of inspiration during this journey. I would also like to thank **Late Prof. Vihav T. Vasu** (Department of Zoology, The Maharaja Sayajirao University of Baroda) for his blessing from the heaven. Despite the fact that I spent less time with him, it was enough to form a familial bond with him. Their souls may rest in peace.

I lost my brother, but I found him in my friend **Mr. Kaushal Chaudhari**, who has been a constant source of support during this journey. Vadodara has been miserable without a friend like him. Thanks to Kaushal for always being there for me.

**-Mr. Hemilkumar S. Patel**
