Figure 1. The Strategic Communications Framework for Effective Communications	15
Figure 2. Field Guide for Designing Health Communication Strategies.....	17
Figure 3. The Periodic Table of Healthcare Communications.....	18
Figure 4. The Health Belief Model	26
Figure 5. Bronfenbrenner’s Ecological Systems Theory.....	27
Figure 6. Proposed Conceptual Framework of the Research.....	28
Figure 7. Schematic Representation of the Research Design.....	50
Figure 8. Sample Distribution by Region for Phase 1	52
Figure 9. Sample Distribution by Region for Phase 2	57
Figure 10. Data Sources in the Quantitative Sample.....	101
Figure 11. Distribution of Participants by Age Range	103
Figure 12. Distribution of Participants by Marital Status	104
Figure 13. Geographical Location of Participants.....	105
Figure 14. Descriptive Statistics for Responses by Age Range.....	106
Figure 15. Graph of the Difference Between Reproductive and Sexual Health	107
Figure 16. Graph of the Purpose of the Reproductive Organs.....	108
Figure 17. Graph of the Function of the Ovaries.....	109
Figure 18. Graph of the Function of the Uterus	110
Figure 19. Graph of the Association of Menstruation With Reproductive and Sexual Health..	111
Figure 20. Graph of the Similarity Between Menopause and Removal of The Ovaries and Uterus.....	112
Figure 21. Graph of the Nature of White Discharge	113
Figure 22. Graph of the Presence of White Discharge	114
Figure 23. Graph of the Normality of Odorous White Discharge.....	115
Figure 24. Graph of the Nature of PCOS	116
Figure 25. Graph of the Causes of PCOS	117
Figure 26. Graph of the Removal of the Ovaries and Uterus	118
Figure 27. Graph of the Role of Estrogen.....	119
Figure 28. Graph of the Arthritis or Bone Issues	120
Figure 29. Graph of the Gestational Diabetes.....	121
Figure 30. Graph of the Common Problems Related to Reproductive Health.....	122
Figure 31. Graph of the Essentiality of Reproductive Health and Well-Being.....	123

Figure 32. Graph of the Difficulties in Conception	124
Figure 33. Graph of the Relationship Between Mental Health and Reproductive Well-Being..	125
Figure 34. Graph of the Perceived Knowledge of Reproductive Health and Well-Being.....	126
Figure 35. Graph of Age at Learning About Reproductive Health	127
Figure 36. Gamified Social Communication Framework for Health Behaviour Change	140
Figure 37. Modes of Knowledge	142
Figure 38. The Stages of Change Model	144
Figure 39. Ladder of Nudge Interventions with Best Practices Recommendations	148
Figure 40. Schematic Representation of the Gamified Social Communication Model	152
Figure 41. Online Workshop to Ideate and Brainstorm Using a Collaborative Tool	157
Figure 42. Offline Workshop Sessions.....	157
Figure 43. Components and Flow of the Toolkit	169
Figure 44. The Interactive Board	171
Figure 45. Information Cards.....	172
Figure 46. Jigsaw Puzzle of a Metaphor (River).....	174
Figure 47. Mapping of the Toolkit With the Social Communication Framework	175
Figure 48. Conceptual Framework Based on the Outcome of the Research	197
