

ACKNOWLEDGEMENT

With the grace of GOD, I am able to submit my thesis this year. First and foremost, I would like to thank the *almighty GOD* for giving me the strength and courage to pursue and complete my doctoral study.

This thesis marks the completion of my journey towards obtaining PhD degree, a journey that was not traversed alone. I have been fortunate to receive invaluable support, inspiration, and motivation from several individuals, including my mentors, parents, friends, and colleagues throughout this endeavor. As I slowly reach to finish line, I am filled with gratitude and profound appreciation for all those who have contributed to its completion and helped me turn this endeavor into a reality.

It is certain that without correct guidance, obtaining this PhD degree would not have been possible. I am immensely indebted to my *GURU* and research guide *Dr. Sanjeev Kumar*, Associate Professor, Applied Chemistry Department for his contribution to this PhD thesis. I will always appreciate his efforts in encouraging my research and motivating me to bring out always the best in my work. I am thankful to him for the trust he had and the freedom he gave to me to work independently which allowed me to grow as a research scientist. It also helped me greatly to advance my knowledge and skills in this field. He bestowed immense faith in me which strengthened my confidence and also boosted my morale at each and every step. I had the honor of working under his guidance and benefited from his unwavering support and valuable feedback. I am very thankful to him for this opportunity and will cherish it forever. Thank you, sir for everything. Thank you for keeping this ship afloat and showing it direction during each and every step of this journey. You have been indeed a guiding light throughout this journey.

I am also thankful and indebted to *Prof. P. T. Deota*, Head, the Applied Chemistry Department, for his understanding and support, which have provided a smooth basis for my PhD tenure. Thanks a lot for providing all the resources and means which has helped me to pursue my PhD at The Maharaja Sayajirao University of Baroda.

I am privileged to acknowledge *Prof. R. C. Tandel*, former Head of the Applied Chemistry Department, for his constant encouragement and everlasting moral support.

I extend my thanks to *Prof. (Dr.) Dhanesh Patel* (Dean) from the Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda for his time-to-time encouragement and keen interest in my work.

I am also grateful to *Dr. Chetan K. Modi, Dr. Rakesh Sharma, Dr. Ran Bahadur, Dr. Sandhya Dixit, Dr. Babita Sehgal, Dr. Pankaj Sharma,* and *Dr. Vaishali Suthar* for their kind-heartedness and support throughout my research work.

I am also thankful to all *non-teaching staff* of the Applied Chemistry Department, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, Vadodara for their kind support.

My sincere thanks to *Dr. Nitin V. Bhate* (Head, Department of Chemical Engineering, M.S. University), *Dr. Ashwin Prajapati* (Department of Physics, SP University), *Dr. Arpita Desai* (Department of Chemistry, M.S. University), *Prof. Padmaja Sudhakar* (Head, Department of environmental science, M.S. University), *Dr. Rajesh Bhosale* (Department of Chemistry, Ganpat University) for their support for instrumental analysis.

Special thanks to my idol, Prof. *Sailesh R. Shah*, former Professor, Department of Chemistry, The Maharaja Sayajirao University of Baroda, who constantly inspired me to undertake a challenge to pursue a PhD since my undergraduate study. I can't thank you enough for providing me with a vision to see the future. Thank you for the motivation and support you have provided also during PhD.

I thank *Ms. Sonal Jadhav, Mr. Mayur Bhai* (Academic section), and *Ms. Shradhdha Ben* (Dean's office) for their conducive and friendly support at University Protocols.

I am also grateful to have a bunch of people in my life with an utterly weird mix of craziness and sense, whom I call "Friends". They have been a source of my motivation, joy, and happiness, as well as madness and stupidity. I thank my friend *Ms. Nisha Valvai*, my supporter, and morale-booster, thanks for always being there whenever I needed you. I would like to express my deepest appreciation to *Mr. Vivek Vaghela* for his unwavering friendship and support. I would also like to extend my heartiest thanks to *Ms. Surabhi Changani* for her help during my PhD. Your friendship has been a source of joy and motivation, which helped make this journey all the more fulfilling. I am also thankful to *Ms. Denju Bhanvadiya* for her continuous moral support during this journey.

I thank my lab seniors, *Dr. Brijesh Patel, Dr. Sneha Singh, Dr. Kushan Parikh, Dr. Sanjay Kumar Yadav, Dr. Arti Bhadouria,* and *Dr. Harsha Patel,* for their continuous support during the entire journey of my PhD.

I especially thank, *Mr. Vishwajit Chavda* for his constant support in every aspect of my PhD journey. Your infectious positivity and unwavering support have been a source of inspiration during the most trying times. Your presence, filled with laughter and joy, has provided a much-needed break from the academic rigors. Your constant belief in my abilities and your willingness to lend an empathetic ear during both the highs and lows have been invaluable. I am glad to have a colleague/friend like him who has always inspired me for the best.

I am thankful to *Ms. Komal Trivedi,* my gossip partner, for her unwavering support. Your friendship has been a source of strength and inspiration. Your willingness to listen, offer advice, and share in both triumphs and challenges has been truly remarkable. I would like to thank *Mr. Pratikkumar Lakhani* for his valuable suggestions, unconditional support, and motivation. I extend my thanks to *Mr. Dhaval Bhanderi* for his tremendous generosity and support throughout my research work. I am also thankful to *Mr. Navin Chaudhary* for his encouragement, help, and support.

My acknowledgment will never be completed without my research lab mates, *Mr. Srujal Sonera, Ms. Urvi Lad, Mr. Gaurang Bhatt, Mr. Hemil Patel, Mr. Vikash Ganvit, Ms. Megha Rathwa, Mr. Sagar Bairwa, Mr. Saurav Patel, Mr. Meet Thakar, Mr. Bharat Maru, Ms. Smita Katariya, Mrs. Dixita Prajapati, Mrs. Bhavita Mistry, Ms. Priyanka Mistry, Mrs. Nidhi Prajapati,* and *Ms. Nidhi Kahar.* I would like to thank all the *M.Sc dissertation students* for their kind help and support.

I wish to acknowledge *Ms. Reena Nagar* and *Mr. Krunal Patel,* my friends and colleagues, for their assurance and constant push to strive for excellence.

As someone said it very accurately “When everything goes to hell, the people who stand by you without flinching is your family”. I would like to express my heartiest gratitude and thanks to my loving and caring *family* for their enormous support during the journey. They have constantly been a source of inspiration no matter what the situation was, they stood behind me to support and encourage me. I adore my *parents* to enlighten and motivate me in every aspect of my life. It is my privilege to thank my support system, my Pappa, *Mr. Bhikhalal K. Hirpara,* and my Mummy, *Mrs. Binaben B. Hirpara* for teaching me practical aspects of life which made me stronger in this journey and also for providing me with selfless-love, care, sacrifice,

constant encouragement, and support. I would like to thank my younger sister, *Ms. Krishna B. Hirpara*, for her support, motivation, and care. I want to thank her for always being there when I wanted to express my feelings and support me. I also want to express my appreciation to my younger brother, *Mr. Nirbhay B. Hirpara*, for encouraging me during the entire period of my PhD. I want to thank him for supporting me in every manner he can, including characterization, and doubt-solving in chemistry to boost my confidence in any situation during my PhD journey.

I reserve a special place of gratitude for my best friend, fiancé, and future husband, *Mr. Chirag Patel*, whose unwavering love, understanding, and encouragement have been very crucial during writing my thesis. He has been my personal therapist, providing me with emotional support as well as all the assistance I needed from him during the last few months of my PhD. Thanks for all the late nights, and early mornings and for keeping me sane over the past few months during thesis writing. Without his love and support it would have been a difficult path to walk.

I am very grateful to my *in-laws* for their unwavering support and encouragement during thesis writing. Their belief in my abilities and nurturing environment has been instrumental in my pursuit of excellence.

Once again, I extend heartfelt appreciation to each one of them who has played a role, no matter how small, whether directly or indirectly, in the realization of this accomplishment. It's not possible to name each individual here, but I am deeply grateful to all of them who have supported and helped me through this roller coaster ride in past few years. It's been an incredible journey and I have thoroughly enjoyed each and every step of it. Thanks to all of you for making this journey enjoyable and bearable, it definitely would not have been possible without your generous support.

-Hirpara Darshna Bhikhalal.
