

ACKNOWLEDGEMENT

First and foremost, my sincere thanks to my esteemed Guide **Dr. T.M.V. Suryanarayana**, Director, Water Resources Engineering and Management Institute, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda for his expert guidance, constructive feedback, wonderful environment for working and helping over entire period of time in shaping out the research. I am truly fortunate to work under his mentorship. Our discussions and interactions have enriched my understanding and enhanced the quality of my work. Your unwavering support and encouragement have been invaluable, and I am deeply grateful for all that you have done. I extend my sincere thanks Surya sir family members their support, understanding, and encouragement.

I would like to take this opportunity to express my heartfelt gratitude to **Director, Dr. T. M. V. Suryanarayana**, Water Resources Engineering and Management Institute, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda for wonderful environment for working and helping over entire period of time.

I would also be grateful to **Dr. Falguni. P. Parekh**, former offg. Director, Water Resources and Engineering Management Institute, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda for her valuable guidance during the course of my dissertation work.

My gratitude extends to my colleagues **Sumitra Sonaliya, Inayat shah, Vikas Kumar Rana and Mugdha Trivedi** who contributed in different ways to the success of this research work. I express my sincere thanks to them for all the excellent time, we spent together during all these years.

I warmly thank **Sumitra**, for her co-operation, eternal moral support and constant encouragement in all possible way. She always be there for fantastic support system, immensely in shaping and completing my thesis she always helped me whenever I was in need and spent her valuable time in my research work. I personally want to express my gratitude to her for constant support and affection during this journey.

I want to also thank to **Shri J. D. Vyas, Shri R. K. Prajapati** and all other members of Water Resources Engineering and Management Institute, The Maharaja Sayajirao University of Baroda for providing an excellent and inspiring working atmosphere and supported me throughout this journey of completing my thesis.

I express my hearty thanks to my life partner **Dhara Mistry** words fail to express my immense appreciation for my wife, who has been a constant source of love, moral motivation and support during my research works. I cannot thank her enough for all

her patience and endless support that kept me motivated during the period of the thesis writing. She always belief in my abilities. Her belief in my abilities has been a constant source of strength. Without her unswerving support and countless sacrifices, it would be difficult for me to finish the thesis.

Finally and most importantly, I am thankful to my family and God. So thank you for encouraging me in all of my pursuits and inspiring me to follow my dreams. I am especially grateful to my parents, who supported me emotionally and financially. I always knew that you believed in me and wanted the best for me. Thank you to all throughout this process. My parents have been a strong pillar of support for me and my research wouldn't have seen the days light without their constant motivation. I owe them a lot. Special Thanks to my father for letting me do it "my way" to reach my dreams.
