

ACKNOWLEDGEMENT

Undertaking this doctoral journey has been an emotional rollercoaster, filled with challenges, triumphs, and invaluable support from a multitude of individuals who have left an indelible mark on my heart.

First and foremost, I express my deepest gratitude to the Almighty, whose grace and blessings have been the guiding light throughout this journey.

At the forefront of this journey stands my esteemed advisor, Dr. Nimisha Pathak, Assistant professor, Department of Applied Mathematics, a beacon of untiring support and compassionate guidance. Her nurturing approach and genuine care have been a constant source of solace in moments of doubt and uncertainty. Her dedication to my academic and personal growth transcends the traditional role of an advisor, as she has selflessly offered her time, expertise, and unwavering encouragement at every twist and turn of this tumultuous path. With each hurdle overcome, her belief in my potential has served as a guiding light, instilling within me the confidence to push beyond my perceived limitations and strive for excellence. To Dr. Pathak, I offer my deepest gratitude for not only shaping my academic journey but also for imparting invaluable life lessons that will resonate with me long beyond the confines of academia.

I am profoundly grateful to Professor (Dr.) Dhanesh Patel, Dean of Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, whose unwavering support and mentorship have been instrumental in navigating the complexities of doctoral research. His leadership and encouragement have provided a steady foundation upon which I have built my academic pursuits.

Dr. Bankim Shah, Former Head, Department of Applied Mathematics, has offered invaluable guidance and support, fostering an environment conducive to intellectual growth and exploration.

My journey would not have been possible without the invaluable contributions of the Departmental Research Committee, including Professor (Dr.) Trupti Desai (VC nominee subject expert), Professor (Dr.) Dhanesh Patel, Dr. Bankim Shah, Dr. Trupti Shah, and Dr. Bharat Ratanpal. Their collective wisdom and insightful feedback have shaped the trajectory of my research, pushing me to strive for excellence and innovation.

Furthermore, I extend my heartfelt appreciation to my esteemed colleagues, whose mutual support have provided a sense of community amidst the academic rigor. Dr. R.C. Shah, Dr. S.B. Rao, Dr. P.K. Pandit, Dr. Nilima Shah, and Dr. Jaita Sharma have not only served as mentors but also as confidants, offering encouragement and solidarity during moments of uncertainty.

To the temporary teaching staff, including Mr. Amar Mangrola, Ms. Bhavyata Patel, Dr. Vishant Shah, Dr. Gargi Trivedi, Mr. Ajay Pathak, and Dr. Neetu Sharma, I extend my sincere gratitude for their dedication and support.

My fellow research scholars, including Bhavesh Suthar, Shardav Bhatt, Divya Vaghela, Prani Mistry, Rinkal Patel, Tejal Shah, Ghanshyam Malviya, Dhruvit Trivedi, Shivam Munshi, Pinakin Bhatt, Krupali Chotara, and Nour Haj Hammadah, have been pillars of strength throughout this journey, offering team spirit and understanding during the inevitable highs and lows.

I am deeply grateful to our non-teaching staff members, including Sapna Sane, Pooja More, Madhuri Warday, Shankar Rabari, Ravi Rathod, and Pradip Vaghela (NESCAFE), for their unwavering kindness and support. Their dedication to ensuring the smooth functioning of our academic environment has not gone unnoticed. Whether it's providing administrative assistance or offering a friendly ear, their contributions have made a significant impact on my journey.

Special thanks are owed to the students, including Astha, Arvind, Uttara and Deepali, as well as all undergraduate and postgraduate students, for their unwavering encouragement and support.

A heartfelt tribute goes to Dr. Pooja Shah, a cherished colleague and dear friend, whose persistent support and guidance have been a constant source of strength and inspiration. In moments of doubt, her reassuring presence has provided solace, reminding me of the power of friendship and camaraderie. I would also like to thank Dr. Kevil Shah for providing guidance during the thesis writing. Additionally, I extend my gratitude to Sagar Khirsariya, Kuldip Chaudhary, Mihir Thakkar, and Drashti Dave for their invaluable suggestions and assistance in discussions, LaTeX error solving, and various other tasks.

To my beloved family members - Maa, Bapu, Vikesh Bhai, Daksha Bhabhi, Yug, Het, Hetansh and my friends who are more like brothers, Ankit Parmar, Chirag Limbachiya, Jaimin Patel, Jatin Sarvaiya, Saurav Patel, and Smeet Kulkarni - your enduring fondness and support have been the bedrock upon which I have built my dreams. Your sacrifices and encouragement have fueled my determination, inspiring me to persevere even in the face of adversity.

Lastly, I extend my heartfelt gratitude to all the directly and indirectly connected members of the faculty as well as the University for their support and encouragement throughout this transformative journey. Together, we have weathered storms and celebrated victories, forging bonds that transcend the confines of academia.

May the Divine grace continue to illuminate my path and inspire me to serve others with humility and compassion.
