

## ***Acknowledgement***

I would like to take this opportunity first of all to the Almighty for his mercy, grace, blessings, and grace bestowed upon me throughout the course of the study as well as for giving me the necessary strength and courage to get through the challenges and successfully complete the study.

I would like to express my deepest appreciation to **Padma Bhusan Late Dr. C. Gopalan**, Father of Nutrition Science in India, **President and Founder of Nutrition Foundation of India** for providing me the platform for pursuing Ph.D.

Words cannot express my gratitude to my Guru, **Dr Prema Ramachandran, Director, Nutrition Foundation of India, New Delhi**, without her constant support and motivation this research would not have been possible. Her patience gave me the strength to overcome the hurdles that came my way. I express my wholehearted acknowledgement with a deep sense of gratitude and respect.

I would like to express my deepest appreciation to **Dr K. Kalaivani, Deputy Director, Nutrition Foundation of India, New Delhi** for her valuable help and guidance in data analysis and interpretation of the results.

I take the opportunity to thank our **former Dean and Head of the department, Prof. Uma Iyer** under who gave me the opportunity to join the Department and provided support through all the years. I would like to express my thanks to **Prof. Meenakshi Mehan, former Head of the department** for her help and guidance throughout my study period.

I am grateful to **Prof. Mini Sheth**, the current head of the Department, for her valuable assistance and for providing the necessary facilities in the department.

I extend my thanks to **Prof. Anjali Karolia, Dean, Faculty of Family and Community Sciences**, for her support.

Heartfelt thanks are due to **Dr Suneeta Deshpande Chandorkar Assistant Professor, Department of foods and Nutrition** for her help during this period.

Sincere thanks to all teachers and non-teaching staffs of **Dept. of Food and Nutrition, Faculty of Family and Community Sciences, The MSU Baroda** for all kinds of co-operation they provided during this journey, especially **Dr. Vijayeta**

**Sengar, Dr. Shruti Kantawala, Ms. Shweta Patel, Ms. Kanchi Beria, Ms. Yamee Bardoliwala, Dr. Chitrapita Saha, Ms. Neha Garg, Ms. Devanshi Gandhi and Ms. Riya Rammohan.** Without their help I would not have been able to complete my study.

I wish to thank **Mrs Meenakshi Sutharia**, at the office desk of Foods and Nutrition Department, for administrative support and assistance. I am also grateful to Milind Sir, Sonal ma'am and Mayur Bhai their help on letting me know latest developments in the university regulations and compliance with the respect to administrative requirements.

I am grateful to my seniors and colleagues **Dr Anshu Sharma, Dr RV Anusha, Chanchal Kaira, Dr. Kamini Prabhaker, Mrs Amrita Pramanik and Dr. Anshi Goel** from Nutrition Foundation of India, New Delhi for their encouragement and for their unconditional support and assistance throughout the research work. I express gratitude to all the Staff of NFI, New Delhi, who assisted in the field investigation.

My husband and in-laws deserve special mention for their unstinted support and blessings. I am extremely grateful to my parents **Mr Kanhaiya Prasad and Mrs Maya Devi**, for their boundless love, affection, support and sacrifices for my education.

I would like to mention my adorable son **Tavish Singh**, whose smile and charm always acted as my stress reliever. Thank you for enabling me to complete my research and submit my thesis.

Last but not least I thank all the people who helped me directly or indirectly in successfully completing of my doctoral work.

Honey Kumari
