

## **ACKNOWLEDGEMENTS**

I am truly grateful to God for giving me the strength, motivation, and patience to advance in my academic journey. I want to extend my heartfelt thanks to my guide, Dr. Sumana Chatterjee, who has been a perfect blend teacher, motivator, and friend. I believe that meeting her and being guided by her is a result of my past blessings. The support and blessings from my grandparents have been crucial in overcoming obstacles along the way. I extend my gratitude to my parents for their unconditional love, support, and trust in me. My gratitude also goes to my sister-in-law and brother for managing my duties at home, allowing me to focus solely on my studies. I appreciate all the professors and fellow researchers for their positive encouragement and support throughout my research.
