

Acknowledgment

First and foremost, I want to express my heartfelt gratitude to two outstanding mentors: **Dr. Keyur N. Vyas**, my committed supervisor, and **Prof. Prafulla K. Jha**, Head of the Department of Physics. Their perpetual guidance and support have served as the foundation for my academic and scientific pursuits.

A heartfelt debt of thanks is owed to **Dr. Narayan Som**, not only for his steadfast friendship but also for providing unwavering support throughout my Ph.D. journey. His presence has been a pillar of strength. My journey was made possible by the enduring support and guidance of my esteemed seniors: **Dr. Shweta Dabhi** and **Dr. Trupti Gajaria**. Their encouragement played a pivotal role in my growth as a researcher.

My sincere gratitude goes out to **Mr. Sourav Jana** and **Ms. Heli Mistry**, whose collaboration and friendship have been invaluable throughout this journey. To the rest of my labmates and the CCMP family members, **Mr. Hemang Tanna**, **Mr. Bhautik Dhori**, **Ms. Zarna Ponkiya**, **Mr. Akhilesh Gupta**, and **Mr. Santosh Kaushik**: your support and companionship have made this journey immensely enjoyable and productive. I am also appreciative of **Mr. Darshil Chodvadiya**, my distinguished colleague, whose invaluable help during my early days was instrumental to navigate the intricate world of research.

I would also like to appreciate my juniors, including **Ashvin Kanzariya**, **Namrata Tukadiya**, **Riddhi Sainda**, **Saurav** and **Paras Patel**, for their enthusiasm and dedication. To my cherished friends and former labmates, **Dr. Sharad Pillai** and **Dr. Raghottam Sattigeri**, I extend my heartfelt appreciation for the shared experiences that enriched my academic life.

Furthermore, I extend my gratitude to **Prof. Krzysztof J. Kurzydłowski** and **Dr. Izabela Zgłobicka** for making my stay at **Bialystok University of Technology, Poland**, truly memorable. Their warm hospitality and support during my visit were deeply treasured. Special thanks are due to **Dr. B. Chakraborty** from Bhabha Atomic Research Centre (BARC), Mumbai for generously providing resources and guidance for my first paper.

I would also like to acknowledge the **SHODH-ScHeme of Developing High-Quality Research**, Government of Gujarat, India (Student Ref No: 202001720133), for providing me with a scholarship for two years.

On a personal note, I express my heartfelt thanks to my friends, **Mr. Subodh Sharma**, **Mr. Vijay Gupta**, and **Mr. Yogesh Parmar**, for their friendship and support throughout my academic journey. I would also acknowledge my colleagues from **Parul University**, for supporting me during my time there in the **Department of Applied Sciences, Parul Institute of Technology**. I would also like to appreciate my friends and teachers from the **Department of Physics**, for supporting me whenever required.

Last but certainly not the least, I am grateful to my family for their unconditional love, support, and encouragement throughout my Ph.D. journey. To my parents, **Shri. Ram Vadalkar** and **Smt. Sushama Vadalkar**, I owe my deepest gratitude. Their firm belief in me, the support they provided, have been the fundamental of my pursuit of knowledge and academic success. To my brother, **Mr. Sarthak Vadalkar**, thank you for always being my confidante throughout this journey. I am also thankful to my entire extended family including my sister **Dr. Shreya Falnikar**, whose support, even from afar, has meant the world to me and has been a constant source of comfort during challenging times.

Ultimately, I would like to express my deepest gratitude to the **God** for granting me the strength, wisdom, and perseverance throughout this academic journey. I am deeply grateful for the everlasting blessings and support of my grandparents, late **Shri. Trimbakrao Vadalkar**, late **Smt. Shakuntala Vadalkar**, late **Smt. Surekha Deshmukh**, and **Shri. R. D. Deshmukh**. Thank you all for being an integral part of my academic journey.
