The **Ph.D.** path has been a life-changing experience, a place of learning where knowledge goes well beyond research. I've developed tenacity, fortitude, and a deep comprehension of the human spirit here. I have completed this journey with the help of mentors' advice and support, as well as my own perseverance and determination. I express a great deal of gratitude to all the people who have contributed so significantly to this thesis and my academic career in general. The completion of this task has been made possible by their support, which has taken the form of intellectual insights, emotional support, or helpful advice.

Foremost, I desire to convey my deepest gratitude to **Dr. Ran Bahadur**, who has been my mentor and research guide, for all of his help, advice, and mentorship during this research work. His knowledge, support, and unshakable commitment have greatly influenced the journey of this research endeavour and fostered my growth as a researcher. I sincerely thank him for his perseverance, thoughtful criticism, and dedication to quality, all of which have greatly elevated the standard of this work. He has allowed me complete freedom throughout the entire study interpret, provided me with helpful advice, and occasionally inspired me to go toward my doctorate. I consider myself quite fortunate to have had the opportunity to study under such a brilliant mentor, and I am incredibly appreciative of their significant influence on both my academic and professional lives. Sir, you will always have an extremely special position in my life. I want God to bless you with prosperity, serenity, good health, and an abundance of happiness forever.

I would like to express my deepest gratitude to **Prof. P. T. Deota**, Head of the Department of Applied Chemistry, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, for providing the infrastructural facilities and motivation during my research work.

I am also grateful and deeply obliged to **Prof. R. C. Tandel**, former Head, Applied Chemistry Department, for his constant encouragement and eternal moral support.

I also have an obligation of gratitude and appreciation to **Dr. Sanjeev Kumar** of the Applied Chemistry Department for his persistent moral guidance and support.

I would like to extend my sincere thanks to **Prof. C. N. Murthy Dr. C. K. Modi, Dr. S. N. Dixit, Dr. R. K. Sharma, Dr. Pankaj Sharma, Dr. Babita Sehgal** and **Dr. Vaishali Suthar** for their timely help and sharing their knowledge.

Words cannot express my gratitude to **Dr. Padmaja Sudhakar**, Head, Department of Environment Studies, Faculty of Science, The Maharaja Sayajirao University of Baroda, for their support, suggestions and instrumental analysis.

I express sincere gratitude to the Council of Scientific Industrial Research, New Delhi, India, for their financials support through **a CSIR-NET (JRF & SRF) Fellowship Award**, enabling my dedicated pursuit of research.

I want to sincerely thanks **Dr. S. K. Shukla**, Hydro Chem India Pvt. Ltd., Vadodara, for their helpfulness in providing me the chemicals.

I would like to extend thanks to **Dr. Tarun Parangi**, Research associate, Faculty of medicine, Parul University of Baroda, for their practical suggestions.

I would like thanks to **Dr. Ali Akbar Vora**, Research student, Department of Applied Chemistry, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, for their helping for instrumental analysing.

I'd like to acknowledge all the non-teaching staff members from the Department of Applied Chemistry, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, Vadodara.

I thank **Mrs. Sonal Jadhav, Mr. Mayur Bhai** (Academic section) and **Mr. Chirag Bhatt** (GCU section) and **Ms. Shradhdha Ben** (Dean's office) for their conducive and friendly support at University Protocols.

I would like to extend my sincere thanks to **Mrs. Divya Patel, Ms. Mridu Kulwant, Mr. Narottam Priyadarshi** and **Ms. Shruti Chaudhari** for the kind support and suggestions.

I thank my lab seniors, **Dr. Sneha Singh, Dr. Gaurang Bhatt, Dr. Sofiya Shaikh, Dr. Dekin Patel, Dr. Nikita Patel, Dr. Ravi Vitthalani**, for their moral support during the entire journey of Ph.D.

I wouldn't forget to thank **Mrs. Mamta Yadav** for her unwavering support and moral encouragement during my entire study project.

I would like to express my heartiest gratitude and thanks to my loving and caring family for their enormous support during the journey.

I heartily adore my whole world (My mom) **Mrs. Manishaben Katariya** and my world best papa **Mr. Natvarbhai Katariya** for their continuous love, support, care and understanding throughout the journey of completing my thesis. Dear "Mom" and "Dad", it is hard to express my thanks to you in words. Your encouragement, patience and belief in me have been constant motivation. I am profoundly grateful for their sacrifices and firm belief in my abilities. I am forever indebted to them for their endless support. My parents are my greatest source of strength and have shaped who I am and will become in the future. My mom is a woman like no other. She gave me life, nurtured me, taught me, held me, shouted at me, but most importantly she loved me unconditionally. My papa is my superman. I sincerely thank you so much both of you from the bottom of my heart.

I would like to express my heartfelt thanks to my cute and caring brother, "My Bhaiya", **Mr. Bhavesh Katariya** for making me feel special in every stage of my life and stood behind me to boost up to achieve my target. Their support has been instrumental in helping me navigate the challenges and obstacles along the way. Their innocence and laughter have been a constant source of inspiration and happiness. I also would like to thank to my sweetest, beautiful and caring sister-in-law, **Mrs. Priya Katariya**, "My Bhabhi", for their tireless hopes, suggestions, enormous support. Their cheerfulness and naivety have always inspired me. They also make me chuckle. My best two lifelong friends are you two.

I heartily remember and adore my grandparents, Dadaji (**Lt. Shri. Dahyabhai Katariya**), Dadi (**Mrs. Dhaniben Katariya**), Nana (**Mr. Ambalal Rohit**) and Nani (**Mrs. Shantaben Rohit**) for sowing spirituality during my upbringing. I am grateful sincerely for your love and enthusiasm, and also for the blessings.

I express my gratitude to “**God**” Almighty for providing me with the fortitude to finish my doctoral studies and meet the high standards set by my family and teachers.

Lastly, I extend my sincere thanks to all those who have been involved, directly or indirectly, in supporting me throughout this journey. Your contributions, whether large or small, have made a significant impact and have been deeply appreciated.
