

## Acknowledgements

I would like to express my sincere gratitude to all those who have supported, guided, and encouraged me throughout the course of my Ph.D. journey. This thesis would not have been possible without the invaluable contributions and unwavering support of many individuals and institutions.

I would like to express my deepest gratitude to Head of the Department and my esteemed supervisor, *Professor Vinay M. Raole*, for his invaluable guidance, unwavering support, and insightful feedback throughout my Ph.D. journey. His profound knowledge, dedication to research, and commitment to academic excellence have been instrumental in shaping my work and inspiring me to achieve my best. His encouragement and patience have helped me overcome numerous challenges, and his mentorship has been a cornerstone in the successful completion of this thesis. I am truly fortunate to have had the opportunity to work under his supervision.

I would like to extend my deepest gratitude to **Professor G. Sandhya Kiran**, former head, department of Botany, for her unwavering support and guidance during my tenure as a Project Fellow. As the Principal Investigator of the project, her insightful mentorship and encouragement have been invaluable to my research. Her expertise and dedication have significantly contributed to my professional growth, and her support has been instrumental in the successful completion of my work.

I am profoundly grateful to **Dr. Kishore S. Rajput** for his exceptional support in both fieldwork and administrative tasks. His guidance, assistance, and encouragement have been invaluable, and his dedication has significantly contributed to the successful completion of my research.

I would like to express my sincere gratitude to my senior, **Dr. Rinku Desai**, for her guidance and support throughout my Ph.D. journey. Her valuable advice, constructive feedback, and constant encouragement have been instrumental in helping me navigate the challenges of my research. Her expertise and dedication have inspired me to strive for excellence in my work.

I am immensely thankful to my seniors, **Dr. Ramandeep Kaur Malhi**, **Dr. Usha Joshi**, **Dr. Alpana Revdandekar**, **Dr. Mannu Dwivedi**, **Dr. Amrita Chaurasiya**, **Miss Abhisha Joshi**, and

**Mr. Maulik Dave.** Their unwavering support, insightful discussions, and willingness to share their knowledge have greatly enriched my research experience. Each of them has played a crucial role in fostering a collaborative and stimulating lab environment.

I owe a deep debt of gratitude to my best friend, **Ms. Dhara Ramoliya**, for her unwavering support, encouragement, and understanding throughout my Ph.D. journey. Her constant belief in my abilities and her emotional support have been a source of great strength, helping me stay motivated and focused during challenging times.

I would like to extend my heartfelt thanks to my juniors and friends, **Ms. Kamartaha Saiyed, Ms. Shrishti Rajput, Mr. Agradeep Mohanta, Mr. Pankaj Prajapati, Mr. Jaydeep Sharma, Ms. Sanobar Mansuri, and Ms. Khyati Thacker.** Their camaraderie, support, and encouragement have made my Ph.D. journey enjoyable and fulfilling. The collaborative spirit and friendship we have shared have been a tremendous source of motivation and inspiration.

I would like to extend my heartfelt thanks to all the teaching and non-teaching staff of the Department of Botany at The Maharaja Sayajirao University of Baroda. Their constant support, encouragement, and assistance have been invaluable throughout my research journey. The faculty members have provided a wealth of knowledge and insights, while the administrative staff has ensured a smooth and efficient working environment, allowing me to focus on my studies and research.

I am deeply grateful to my Institute, The Maharaja Sayajirao University of Baroda, for providing an excellent academic environment and state-of-the-art facilities that have been crucial for my research. The resources and infrastructure available here have greatly contributed to the progress and success of my work.

I sincerely acknowledge the funding agency Education Department, Govt. of Gujarat for providing me with the **SHODH** fellowship that supported my studies and research. This financial assistance has been pivotal in allowing me to dedicate myself fully to my Ph.D. pursuits without any financial constraints. I am also grateful to the UGC DRS (Phase-II) for providing additional financial support, which has significantly aided my research efforts.

I would like to express my deepest gratitude to my late father, my mother, and all my family members for their unconditional love, support, and encouragement throughout my Ph.D. journey.

Their unwavering belief in my abilities and their constant emotional and moral support have been my pillars of strength. I am truly blessed to have such a wonderful family, whose sacrifices and dedication have enabled me to pursue my dreams. I also extend my heartfelt thanks to the Almighty God for His divine blessings, guidance, and protection, which have been my source of inspiration and strength in all my endeavors.
